The Result of the Exhibition RECENTLY HELD IN HALIFAX

Proves unquestionably the GREAT VALUE OF

The North British Cattle Food Co.'s NUTRITIOUS CONDIMENT In the Feeding of Live Stock.

All the cattle which took the leading prizes, as well as the special prizes presented by the agent of the above Company, were really SUPERB AND HANDSOME LOOKING ANIMALS, and received the encomiums of all who saw them.

THE NUTRITIOUS CONDIMENT.

The Reporter says:—"This article has become an institution. Its great success and unlimited demand are victorious and have proved its efficiency; cattle to whom it is given are always in first-class condition, and a large per centage is saved in the cost of feeding by the use of this condiment, and they are less liable to be attacked by disease or plague; but, if attacked, it has been proved that they are most likely to escape fatal results; in fact, they enjoy an almost complete immunity from the ravages of any disease.
