72 Years Strong

FOR seventy-two years we have paid dividends to shareholders without interruption.

And for seventy-two years there has not been, at any time, any general interruption in the supply of gas to the citizens of Toronto.

These two facts we think will have a distinctly favourable bearing upon the public subscription for the unissued portion of our present Capital Stock. We are now inviting tenders for this stock in blocks of ten shares or multiples thereof; the par value of the shares being \$50.00 and the dividend rate 10%.

If interested, write for the Conditions and Terms of Sale, and a Form of Tender.
