Mutual Benefit Association at their late session held at St. John, N. B., adopted the report of a committee in reference to the expulsion of the Grand Council of Canada by the Supreme Council. The report stated that the supreme council had broken faith and had forfeited its right, hence it should not be recognized until it fulfills its agreement. until it fulfills its agreement.

FEARFUL fires have been raging lately through the states of Dakota, Wisconsin through the states of Dakota, Wisconsin and Minnesota, destroying large areas of forest land, and many homes have been completely blotted out. Over one thousand human beings have been burned to death and the loss of property will exceed hundreds of thousands of dollars. The fire crossed over into Canadian territory in the vicinity of the Lake of the Woods, and many people have lost their Woods, and many people have lost their lives, while others have lost everything they had in the world. The Ontario Government have sent a commissioner to the scene, with full power to give all necessary aid to the distressed.
