o ver Mr. T. Paré, the worthy member for La Vérendrye and a most respected resident of St. Anne's, read a thoughtful and well worded addess, in reply to which His Grace congratulated the parishioners on having a Pastor who could make them build so fine a church.

The dinner in the old church was an excellent meal served by the self- sacrificing ladies of the parish. A luncheon was also served at five before the return of the train.

Mr. A. Kohnen took a couple of good photographs of the noble façade of the new Church just as the people were coming

The Immaculate Conception Sodality of St. Boniface College and the small boys of the college choir furnished all the ceremonies and the music of the Mass and Vespers Mr. Alb. Bétournay kindly presided at the organ. Mozart's "Jesu dulcis memoria" was rendered in four parts in a way that betokens Father Vandandaigue's ability in conducting the choir.

The brass band of the Indian Industrial school also won golden opinions. Though their conductor, Professor Salé, was necessarily detained at the cathedral for the High Mass, they got on wonderfull well. His Grace was so pleased that, on the way home he made eight of the band play in Mr-Hanna's private car and the guests were loud in praise of their skill. Rev. Father Dorais, O. M. I., who was present, must have been pleased with his boys

Rev. Father Grenier, S. J., to whom the credit is due of organizing the college contingent, 45 in number, sang Vespers and was publicly thanked by Father Giroux in a warmhearted impromptu speech in which he expressed his boundless gratitude to everybody and deprecated the praise bestowed on himself.

His Grace spoke once more with all his wonted fluency and directness and requested Father Drumond to speak in English, all the other sermons and public utterances having been in French. There were a number of Protestants and non-French speaking people present who were glad to hear a summary of all the good things said by His Grace and Father Giroux.

Punctually at 6.p.m. the return journey was peguh and happily completed at 8.30.

All the passengers and especially His Grace's party were treated with the greatest politeness by Mr. Hanna and the other officials of the railway.

Sir,

This little town, building of the Crow's Nest Pass
Branch, has ever since been on the increase, both in population the increase, both in population the pills a little more than a added to those already existing, which naturally, favors fair dealing, according to the old saying: "opposition is the life of Pills" no other means a cord wrought such a speedy cure, and I can truthfully say I met the enemy and defeated him through the aid of Dr. Williams' Pink

Why don't some good Catholic business men come out here and select a good stand? To mention only a few, I will remark that there is, here, only ONE BUTCHER shop! and they have been coining money, for years ...! and why would not a good, active man, understanding that business, come, and say: let me have my share? and, I am sure he would get his share. Of course, he should have the MEANS to make a good start, and beware of BAD CREDIT, which, if he would be careful to be clear of, he would be sure to succeed.

There is, also, a good place for a good BARBER; as there is only one "shop"; a good practical blacksmith would equally find plenty of work.

I am told, also, that a good DRESSMAKER would be kept busy.

### Cause of Rheumatism

HOW THE DISEASE IS DEVELOPED AND CAN BE AVOIDED.

For Years This Trouble Bafflee Physicians' Skill—Now Under stood and Easily Cured-The Result of Scientific Research.

From the Advance, Kemptville, Ont.

There is a popular idea that rheumatism is caused by exposure to cold, and that some localities are infected with it more than others. Scientists say that such conditions frequently promote disease, but from the fact that this ailment runs in certain families, it is shown to be hereditary, and consequently a disease of the blood.

Frequently an individual in whose femily rheumatism has not occurred, develops the disease, and when a diagnosis of the case is made, it is generally found that the ailment is due to a derangement of the blood.

One such sufferer who has cured is Capt. D. W. Becket, been who lives in the township of Oxford, Grenville County. Capt. Becket is the owner of 275 acres, and lives in a beautiful farm home on the banks of the Rideau, some three miles from Kemptville. In addition to being a thrifty farmer, Mr. Becket has taken an enthusiastic interest in our volunteer force, and has graduated from the military college at Toronto with a first class certificate, which entitles him to the rank of Major. To a reporter of the Kemptville Advance, Capt. Becket made the following statement: - "Four years ago I was taken suddenly with rheumatism in both my elbows and thigh joints. The pain at

times was something terible. I took medicine and doctored for over six months, but continued to grow worse and worse. My arms from the elbow joints to the tips of the fingers became numb and had a prickly sensation, and I was unable to do any work; in fact I could not lift my hand to my head. The pain I suffered in my hips was also almost unbearable and my legs were nearly as useless as my arms. I had frequently read testimonials where Dr. Williams' Pink Pills had cured this disease, and at last I thought I which was so quiet before the would try them as an experiand in its buildings; quite a the pills a little more than a number of houses have been and month, the pain had entirely left number of houses have been and me, and I felt an altogether different man. I have been a great sufferer from constitution for over five years. Nothing gave me any relief. My feet and legs and abdomen were bloated so I could not wear shoes on my feet and only a loose dress. I saw Ripans Tabules advertised in our daily paper, bought some and took them as directed. Have taken them about three weeks and there is such a change! I am not constituted any more and I owe it all to Ripans Tabules. I am thirty-seven years old, have no occupation, only my household duties and nursing my sick husband. He has had the droppy and I am trying Ripans Tabules for him. He feels some better but it will take some time, he has been sick so long. You may use my letter and name as you like.

Mrs. Mary Gorman Clarks. Thave used Ripans Tabules with 40 much satisfaction that I can cheerfully recommend them. Have been troubled for about three years with what I called bilious attacks coming on regularly once a week. Was told by different physicians that it was caused by bad teeth, of which I had several. I had the teeth extracted, but the attacks continued. I had seen advertisements of Ripans Tabules in all the papers but had no faith in them, but about six weeks since a friend induced me to try them. Have taken but two of the small 5-cent boxes of the Tabules and have had no recurrence of the attacks. Have never given a no recurrence of the attacks. Have never given a testimonial for anything before, but the great amount of good which I believe has been done me by Ripans Tabules induces me to add mine to the many testimonials you doubtless have in your possession now.

A. T. DEWITT. Mrs. MARY GORMAN CLARKS.

I have been suffering from headaches ever since I was a little girl. I could never ride in a car or go into a crowded place without getting a headache and sick at my stomach. I heard about Ripans Tabules from an aunt of mine who was taking them for catarrh of the stomach. She had found such relief from their use sheadvised me to take them too, and I have been doing so since last October, and will say they have completely cured my headaches. I am twenty-nine years old. You are welcome to use this testimonial.

Mrs. J. Brookmyrae.

My seven-year-old boy suffered with pains in his head, constipation and complained of his stomach. He could not eat like children of his age do and what he did eat did not agree with him. He was thin and of a saffron color. Reading some of the testimonials in favor of Ripans Tabules, It ried them. Ripans Tabules not only relieved but actually cured my youngster, the headaches have disappeared, bowels are in good condition and he never complains of his stomach. He is now a red, chubby faced boy. This wonderful change I attribute to Ripans Tabules. I am satisfied that they will benefit any one (from the cradie to old age) if taken according to directions.

Mother was troubled with heartburn and sleeplesaness, caused by indigestion, for a good many years. One day she saw a testimonial in the paper indorsing Ripans Tabules. She determined to give them a trial, was greatly relieved by their use and now takes the Tabules regularly. She keeps a few cartons Ripans Tabules in the house and says she will not be without them. The heartburn and sleeplesaness have disappeared with the indigestion which was formerly so great a burden for her. Our whole family take the Tabules regularly, cappeally after a hearty meal. My mother is fifty years of age and is enjoying the best of health and spirits; also eats hearty meals, an impossibility before she took Ripans Tabules. A new style packet containing TER RIPANS TABULES packed in a paper carton (without glass) is now for sale at some drug stores—FOR PIVE CENTS. This low-priced sort is intended for the poor and the commencel. One dosen of the five-onst-cartons (198 tabules) can be had by mail by sending forty-eight cents to the RIPANS OREGINAL COMPANY, No. 16 Spruce Street, New York—or a single carton (TEN TABULES) will be cent for five cents. RIPANS TABULES may also be had of some grocers, general storekeepers, news against and as some liquer stores and barbandess. rher shore. They benish pain, induce sleep and prolong life. One gives relief.
