

- (b) Transfers other than those transfers referred to in (a) above shall continue to require the written consent of the Parties prior to the transfer.
2. (a) Further to Article III.2 (a) of the Agreement, Canada hereby provides its consent for the transfer beyond the territorial jurisdiction of the Republic of Korea, in any given period of 12 months, to any State Party to the Treaty on the Non-Proliferation of Nuclear Weapons, of the following nuclear materials and quantities:
- (i) special fissionable material (up to 50 effective grams);
 - (ii) natural uranium (up to 500 kilograms);
 - (iii) depleted uranium (up to 1000 kilograms); and
 - (iv) thorium (up to 1000 kilograms).
- (b) The appropriate governmental authorities shall establish administrative procedures for the purpose of reviewing the implementation of this paragraph.

3. Nuclear material and material transferred to the Republic of Korea from a third party which has identified the nuclear material and material as being subject to a nuclear cooperation agreement with Canada shall be deemed to be supplied pursuant to the Agreement and shall be subject to the provisions of this Note.

I have the honour to propose that, if the foregoing is acceptable to the Government of the Republic of Korea, this Note, which is authentic in English and French, together with Your Excellency's reply to that effect, shall constitute an Agreement between our two Governments concerning the application of the Agreement and shall enter into force on the date of your reply.

Accept, Excellency, the assurances of my highest consideration.

Yours sincerely,

Brian Schumacher
Ambassador
