

- (vi) that in connection with any one aircraft flight into the territory of the other Contracting Party, only one flight may be made out of that territory unless the airline is authorized by the aeronautical authorities of the other Contracting Party to operate more than one flight; and
- (vii) that the provisions of Article 9 of the present Agreement shall govern all arrangements made with regard to change of gauge.

Article 6

1. The laws, regulations and procedures of one Contracting Party relating to the admission to, remaining in, or departure from its territory or flights over its territory by aircraft engaged in international air navigation or to the operation and navigation of such aircraft shall be complied with by the designated airline of the other Contracting Party upon entrance into, departure from and while within or over the said territory.
2. The operation of the air services in the areas declared as prohibited areas by a Contracting Party shall be subject to the approval of the Contracting Party.
3. The laws and regulations of one Contracting Party respecting entry, clearance, transit, immigration, passports, customs and quarantine shall be complied with by the designated airline of
