## **NATIONAL RESEARCH COUNCIL (NRC)**

Canadian companies hoping to succeed in the Mexican marketplace may require additional technology to improve their competitiveness. The NRC works with Canadian firms of all sizes to develop and apply technology for economic benefit. The Council manages the Industrial Research Assistance Program (IRAP), a national network for the diffusion and transfer of technology.

The IRAP network, working primarily with small- and medium-sized Canadian firms, supports the process of developing, accessing, acquiring, implementing and using technology throughout Canadian industry. IRAP has a 50-year history of providing technical advice and assistance to Canadian firms and has acquired a reputation as one of the
