

June 30, 1932.

George B. Rothwell, Esq.,  
Live Stock Commissioner,  
Department of Agriculture,  
O t t a w a .

Dear Mr. Rothwell,

Thank you for your letter of June 21st,  
but the matter about which I was enquiring was not specially  
the grant for Fairs and Exhibitions.

I was in correspondence with the Honourable  
Mr. Weir about the reductions in the grant for the Dominion  
Department of Agriculture for 1932-33, particularly as they  
would affect the scientific services.

What I would really like to know is the  
amount of the appropriation for the Department of Agriculture  
for 1932-33, as finally passed by the House, and how it has  
been sub-divided.

Yours faithfully,

Principal
