

Population 200,000, April, 1891.

THE CITY OF TORONTO.

"My Own Canadian Home."

E. M. M.

Rev. E. Reading, D.D.

A name derived from town of York, and county of the same;
Once an Indian camping-ground, but now of city's fame,
Whose growth of late, unparalleled, both stimulates and cheers
Our Reverend Worthy President,* and all the York Pioneers.

-E. M. M.
