TECHNICAL SECONDS DEFEAT MALVERN

Practice Game Shows School
Teams in Good Shape—
Seniors Practice.

Technical high school second team defeated Malvern 7 to 0 on the former's grounds yesterday afternoon. It was a good game throughout and the great tackling of the Tech line had considerable to do with the victory.

Locke and McCormick, Tech halves, were the bright shining lights with several long runs and their tackling was exceptionally good. Malvern are a big heavy team but they could never get away so well did Tech's line hold them.

Varity put in another hard workout last night and the team is in a fair way for condition. Dick Shuey, Bob Cory and Jack Knight were out and took a lively interest in the proceedings. The second had a big time trying to keep the first from breaking thru.

Argonauts had a big squad at Rosedale last night and a battle with the second was the order. The Argos will play St. Michael's College an exhibition game at Rosedale this afternoon, and it will be a good chance for the fans to look over the Big Four champions.

The University Settlement Rugby team requests the following players to turn out for their first game this afternoon: Snow, Lynch, Hughes, McKenna, McInnis, Howard, Walker, Elliott, Stevens, McGregor, Boyle, J. Gallagher, G. Gallagher, Buchanan, E. Beatty, L. Yates. They are requested to meet at the club rooms at 1 o'clock as they play Central Neighborhood House.

Balmi Beach have entered a team in the Senior City League. Captain, J. deans, High Parks and Balmi Beach will compose the district. The officers decided to do this after their practice on Thursday evening, when they had over forty players in uniform. The Balmi Beachers now have three teams, Junior O. R. C., Senior City and Intermediate City. All three teams will be strong and a great season is looked for with the paddlers.

Balmi Beach intermediates play Kew Beach at 3 p.m. at Scarborough Beach grounds. The Broadview M. C. A.

Look at This Label

It is important you should know it, for it is used only on bottles containing the famous Kuntz's Old German Lager. It pictures an "Old German" scene, with a castle in the background, and in the foreground, lusty men drinking Old German Lager. The example set by these lusty men is well worth following.

MACK'S PITCHERS WERE INEFFECTIVE

Red Sox Clouters Had a Big
Time—Win in Handy
Fashion.

BOSTON, Sept. 26.—No one of the four pitchers used by Philadelphia was effective against Boston today, the local winning 10 to 4. Leonard pitched good ball. Boardman, a recruit, lasted but one inning. Houck was hit even harder during his one inning. Pennock's wildness during the fourth inning when he passed three men in a row, caused his removal.

GIANTS ONE STEP NEARER PENNANT

Hit Allen Hard and Downed
the Dodgers—Brown's
Great Work.

BROOKLYN, Sept. 26.—New York drew a step nearer the flag by beating Brooklyn, 4 to 2, this afternoon. They scored all their runs in the first three innings, during which Allen was hammered for eight hits. Then Elmer Brown made his local debut and caused a sensation by holding the Giants hitless and runless for the remainder of the six innings.

FINX IS ON TRAIL OF THE M'GRAWITES

Larry Doyle and Snodgrass
Out of the Game—Larry's
Shoulder Injured.

BROOKLYN, Sept. 26.—The supporters of the New York Giants in the world's series got a double shock today when they learned that Captain Larry Doyle had been injured in an automobile accident and Outfielder Fred Snodgrass had sprung a "Charley Horse" in the game at Ebbets Field. Both are not likely to play again for a week and may be out of the series with the Athletics for the world's championship.

Doyle received his injury last night as he was driving home in the automobile he won as the best all-around National League player of 1912. Pitcher Fromme of the Giants was passenger. Doyle became bewildered by the fog and steered the machine into a tree. Doyle was thrown out on his "Charley Horse" shoulder. Fromme escaped with only a slight shaking up.

Doyle did not realize until this morning that his fall had possibly injured him seriously. A physician said the right arm was dislocated or the shoulder bone possibly broken. Manager McEwen said he would have Doyle placed under the X-ray.

YOUNG MAN LOSES ARM
CORNWALL, Sept. 26.—(Special)—Douglas Locks, son of Wm. Locks of Concession 2 of Osnaburck, while feeding a corn cutter on his father's farm, preparatory to filling the silo, had his right hand and arm drawn into the machine and mangled by the knives. He was brought to the General Hospital here where Dr. D. Aguire found it necessary to amputate the arm near the elbow. Manufacturers of artificial limbs Pacific Coast will prove equally serviceable.
