# "Fear Not! Ye Women and Children"

Let every man of us cry this from the very housetops to the mothers, sisters, wives and children of the soldiers we are sending to the front. Well may we spring to the care of these dependents. Well may every instinct within us thrill to this call for contributions.

#### GIVE! GIVE! \$500,000 IN FOUR DAYS

Mass Meeting **Massey Hall** To-night 8.15

**AUGUST 24 1914** 

CHALL our women and innocent children, who give their protectors for the cause of Britain and humanity, find any lack of British chivalry and British humanity here at home? A thousand times, "NO"! Every soldier who goes to the front leaves his women and children as a sacred trust with his fellow citizens and no Canadian will disregard his personal obligation.

## Tuesday, Wednesday, Thursday, Friday

city will be made by 25 teams of workers under leading citizens.

OTTAWA, Aug. 22.—His Royal Ispness the Governor-General pro-By a Staff Reporter. OTTAWA, Auz. 22.—His Royal Highness the Governor-General pro-rogued parliament this afternoon in a brief speech in which he commended the legislation which had been so promptly passed and expressed his hope that a favorable and honorable issue would be found for the war in which the empire was now engaged. The house had an hour's wait this afternoon before being summoned by the gentleman usher of the black rod to the senate chamber, and some ex-cellent speeches were delivered by members of both parties. Dr. Clark the Liberal member for Red Deer, com-mended the measures which had been taken by the government in the pre-sent crisis as energetic, wise and efthe correspondents ir despatches. ent crisis as energetic, wise and ef- gentlemen of the House of Comm gentiemen of the House of Commons. In relieving you for the time being from the important and responsible duties to which you were summoned so sud-denly and unexpectedly, I commend to fective. He submitted that the posi-tion of the Liberal party at this time was of the most patriotic character. was of the most patriotic character. This had been appropriated by the government and the prime minister had striven to show his appreciation in every way. Dr. Clark hoped that more contingents would be sent from Canada if they were needed. We were war in which the empire is now inengaged in a righteous war and there should be no let up. Col. Sam Hüghes in thanking Dr. volved.

PREVAIL AT LAST

gentlemen of the House of Con

-GEO. E. FOSTER

#### **REOUIEM VESPERS SUNG** Clark for his references to the govern-ment refered to th fact that the mem-FOR LATE POPE PIUS X. ber for Red Deer had a son in the first contingent. The minister was glad

to say that every man going to the front was in the true sense of the hood and Humility of Stricken Pontiff.

Archbishop McNeil sang Requiem Vespers at St. Michael's Cathedral last evening for the late Pope Pius X. There was an immense congregation Jump on the Train. "The patriotic boys," he added. "will not be refused. if left behind at the recruiting station they jump on the present

ruiting station they jump on the dins." There were already, he continued. The present. Rev. Father Alexius, a member of the Passionate Order, preached a powerful sermon on the life of the late pope. "Notwithstanding the ter-rible war which is convulsing all Europe and attracting the attention of the entire world,' said the speaker, "the death o fthe soverign pontiff is undernost logaly with the govern-ent. The primee minister praised e courage, energy and fortitude of belgians and expressed his con-benee that the Canadian troops ould give as good an account of There were already, he continued. five thousand men at Valcartier and that number would be doubled to-morrow. Sir Robert Borden took occasion to refer in the most complinentary terms to the leader and members of the opposition, They had co-operated most loyaly with the govern-ment. The primee minister praised the courage, energy and fortitude of the Belgians and expressed his constant the Canadian troops would give as good an account of the fact of his humility and saintly life. The reverend preacher exhorted life. The reverend preacher exhorted A Privilege to Make War. Hon. George P. Graham made a touching reference to the recent death of his son, Perry. "If Providence had hold with me differently," he said, "I bishop, concluded the service. Tomorrow morning at 9 o'clock,

Tomorrow morning at 9 o'clock, solemn requiem high mass will be would today have a representative in the Canadian contingent." (applause). Mr. Graham went on to say that Can-ada was doing her part in this wir not as a matter of duty, because she regarded it as a privilege to stand shoulder to shoulder with the rest of the British Empiree. Irish, French.

Canadians were all today Britishers and all party differences were forgotten. **DEATH AND HAVOC** Sir George E. Foster said that one could not but be impressed with the **CAUSED BY STORM** solemnity of the present hour. We were a nation of different races and languages, but never had we been one as we are today. The generous feeling so often concealed under party strife and racial fueds had today burst these ig-Lineman Killed While Repairnoble bonds and all littleness, all meaning Wire - Great Damness, all selfishness was forgotten. This session of parliament had vindiage to Fruit Crop.

Cated the public life and the parlia-mentary life of Canada. (Applause). God and the Right. "What is before us no one can tell. The right does not always triumph in a single battle or in a single campaign. There is more to war than the first Special to The Toronto World. ST. CATHARINES, Aug. 23 .- Considerable damage was done to the fruit There is more to war than the first crop in Niagara district this afternoon march out, and the blare of the truina series of reverses, for we well may believe that in the end God and the right will prevail." Sir George in closing referred elo-quently to the fact that several mem pets and the waving of the flag. Do by a southwest wind, which blew down

on account of the fact that there is no peach crop this season worth mention-ing. At Niagara-on-the-lake the power house of the Niagara, St. Catharines, and Torento Rallway was put out of commission by lightning and one car on the line was also burned out. The company expects to have the damage remained by tomorrow. BELLEVILLE HONORED man, whose home is in St. Catharines, was killed while repairing the break. Altho working with rubber gloves, his elbow came in contact with another line. His belt kept the body from falling and fellow-workmen on a pole
