**"Silver Inlaid"**

(Set of six teaspoons, \$4.75)

On the back of the bowl and handle—just where the wear comes—a piece of pure silver is welded in. Because of this protection the even beauty of Holmes & Edwards Silverware is not marred by use. Made only in five pieces—those most frequently used.

**"Super Plate"**

(Set of six teaspoons, \$4.00)

Holmes & Edwards Super-Plate is protected at the wear points, including the tip of the bowl, by an *extra* heavy coat of silver. This double plating means added service and satisfaction.
