

sales of round lots at \$3.75. *Tobaccos* unchanged. Manufactured Black goods—3s, 6s and 12s—39½c to 42c. Bright goods—Navy, 48c to 57½c; Myrtle Navy, 61c to 62½c; Solaces, 41c to 50.

**HARDWARE AND IRON.**—There has been a fair movement of goods during the past week. Considerable orders have been received from the country for shelf goods, and prices remain steady. There is a moderate enquiry for heavy lines, and a large movement is anticipated later on. Payments are fair.

**HIDES AND SKINS.**—Hides are inactive but firm, as stocks are small. Green are unchanged, at 7½c for cows and 8½c for steers, and cured sold at 8½c. *Calfskins* unchanged at 13c for green and at 15c for cured. Very few sheepskins offer, but *Pelts* are in better supply and steady at 30c. *Lambskins* bring 40c.

**LEATHER.**—Business this week has been quiet, and prices are not quotably changed. Manufacturers are buying in small lots, and remittances on the 4th were about the same as last month.

**LIVE STOCK.**—*Cattle.*—The receipts during the week amounted to about twenty car loads. Prices remain steady, and probably a trifle firmer than last week. The quality of the off rings was poor, there being but a few loads of choice stock, which sold at 5c to 5½c. Good butchers' cattle bring 4½c and ordinary to fair 3½c to 4½c. *Sheep* offered more freely, and prices are steady at 5c to 5½c per lb., with an exceptional one at 6c. *Lambs* in moderate offer and unchanged at \$2.50 to \$4.50 per head. *Culves* in good supply and steady, at \$7 to \$14 a head, according to quality. *Hogs* in limited offer and firm, at 7c to 7½c per lb.

**PROVISIONS.**—*Butter.*—The receipts during the week have been small, on account of the large quantity being packed in the country. Buyers for export are not quite as numerous as they were, prices having advanced too high. Choice selections are taken at 18c, and jobbing lots here sell at 19c to 20c. The supply is insufficient for the demand. Good medium qualities sell at 16c to 17c, and pound rolls in the open market at 21c to 23c. *Lacon* is firm, with a good demand; long clear is held firmly at 13c, and jobbing lots sell at 13½c to 14c, the latter, however, being an exceptional price. *Cumberland Cut* is firm at 12½c to 13c in a jobbing way. No rolls offering. *Hams* are also very firm and scarce; two cars of sweet picked sold on Monday at equal to 14c here, and job-

bing lots of smoked and canvassed sell at 15c to 15½c. *Mess Pork* sells in small quantities at \$25, and *Lard* is firm at last week's prices of 15c to 15½c. *Dried Apples* in moderate demand and steady at 7c to 7½c. *Cheese* is firm; sales at the factories have been made at 10½c to 11c, and jobbing lots here sell at 11½c to 12c.

**Wool.**—Receipts of new fleece are moderate, but the demand is by no means active. Sales have been made at 18c to 20c, with more offering at the latter price. *Supers* are steady at 27c to 27½c, and extra at 32c to 34c.
