## OLD COUNTRY PUT CALEDONIANS OUT

### Replay Connaught Cup Second Round Fixture at Dunlop Field—The Play.

The replay of the second round Connaught cup between Old Country and Caledonians took place last night at Dunlop ground. Old Country ran out winners by the only goal scored.

The teams lined up as follows:

Caledonians (9)—Herdman, Brown, Stone, Thompson, McGrath, Hackner, Innes, Clark, Warrick, Black and Federo.

Old Country (11)—Martin, Hutchinson, Colquhoun, Taylor, Scott, Sait, McLaren, Long, Wilding, Riddy and Motynaux.

Old Country kicked off, the ball going to Riddy. The latter's pass to Motynaux was nicely centred and Wilding caught the ball and put Old Country one up. Caledonians took a little while to settle, and Old Country were all over them for a time. Riddy had two fine tries, but Herdman was in form and saved well. Caledonians took up the running and it spell danger from their left wing. Play was of a ding-dong nature and both defences stood out well. Black shot hard and Martin only managed to clear. Clark got the ball but made a poor finish by shooting over. Old Country returned to victory's end and it looked as if they would add to their score as they were watching Long and McLaren, the latter sending across some neat centres. Scott kept the ball but his passing shot went high over. Caledonians played hard to get a goal and kept the game very close. Old Country kept their goal intact and ran out winners by the only goal scored.

Final result, Old Country 1, Caledonians 0.

Half time, Old Country 1, Caledonians 0.

Caledonians resumed and seemed bent on drawing level. Time and again they came down, but Hutchinson and Colquhoun played sterling ball and kept them out. A foul given against Martin for carrying the ball looked bad for Old Country, but the goal was cleared. Scott kept the ball swinging to both wings and gave his forwards every opportunity. Frith got hurt but his passing shot went high over. Caledonians played hard to get a goal and kept the game very close. Old Country kept their goal intact and ran out winners by the only goal scored.

Final result, Old Country 1, Caledonians 0.

Half time, Old Country 1, Caledonians 0.

# Racing Horsemen Get Into Trouble

## NOSE FINISHES AT DUFFERIN PARK

### First Day of Canadian Circuit Produces Excellent Harness Racing.

The weather and track conditions were all that the most fastidious could desire today for the opening of the Canadian circuit for harness racing. The attendance was not as large as the club would like to see, still there was a good attendance of very great lovers of the harness horse and good representative horsemen from outside clubs. A feature of this season's racing was that the Dufferin Driving Club held the first meeting to race under the rules of the new Canadian National Trotting and Pacing Harness Horse Association. All the meetings throughout the circuit will race under these rules. Canada is large enough to control and make its own rules for racing. This association has been in contemplation for some time and now it is an assured fact. The horsemen, as well as the public, seem pleased with the day's racing. The program for today consists of three very close races.

The 2:30 trotting class has a number of Toronto-owned horses. There is great rivalry between these horses, and one of the hottest contests seen in a long time will be the result. The 2:15 pace has a very large entry list and will be full of surprises. The 2:14 trot has five of the best trotters ever seen together on a Canadian track. Lucy Van, a trotter all the way from Wilmington, Delaware, Sunday Morning from Fort Arthur, Kris-pin from Sherbrooke, Monarchical Lady from Victoriaville, Quebec, and last, but not least, Margot Leonard, a great favorite of the Toronto followers of the harness horse. Bats will be called sharp at 2:38 and should be all over at teatime. Everybody come. Ladies are free.
