Floral Aeroplane Suitably In-
scribed, Placed on Avia-
tor's Coffin.

PARIS, June 20.—Arrangements for the funeral service at Versailles for Lieut. R. A. J. Warner of the British Royal Navy Flying Corps, and Henry B. Needham the American writer, who were killed in an aeroplane accident last Thursday, have been completed and the bodies have been brought to Paris. Mr. Needham's body has been placed in the temporary chapel in the American Church of the Holy Trinity awaiting a reply to a despatch sent from the American embassy to his widow, who is in the United States, asking for instructions. Lieut. Warner's body will be sent to England, where some form of public funeral befitting the man who has been hailed as a hero for his recent destruction of a Zeppelin airship, will be held.

Coffins flower bedecked. General Gallieni and Gallieni and many other officers of the French army and notable people sent large quantities of flowers to be placed around the coffins containing the bodies of Warner and Needham. A small aeroplane composed of flowers was laid on Warner's coffin by the officers and men of the English hospital. On the left wing was the Victoria Cross, the right wing, the Legion of Honor. The casket, composed of white roses, bears the inscription: "Honored by the King, adorned by the empire, but mourned by all."

Warner's body will be transported to England tomorrow morning under a guard of honor. A military funeral will be held at London; it will be national in character.

KAISER IN COMMAND

Latest News From Enemy
Sources Indicates Evacua-
tion of Lemberg.

LONDON, June 20.—The Russians scored another big success on the Dniester front, when they hurled back strong forces which crossed the river below Nizhynif, and inflicted great losses on them. Fighting continues in this region, with the Russians pursuing the Austro-Germans. After forcing a passage of this stream the enemy advanced to the village of Komarivka, and Komarivka, where he met a vigorous counter-offensive, conducted with the bayonet, and had to flee. In the village of Komarivka alone the Russians took over 2000 prisoners and seven machine guns.

Offensive in Pruth Region. The Russian general staff reports a new offensive between the Rivers Pruth and Dniester against the Austrians, who advanced from the town of Komarivka, gaining the advantage. Near the village of Balanoutov they captured eight machine guns besides prisoners. The Russian general staff reports a strong offensive of the Austro-Germans in the direction of Rawa Ruska, one of the best known Canadian lakes in Galicia. The enemy has called troops from Belgium as reinforcements.

Copenhagen despatch says that the Kaiser has established his headquarters at Pless, southwestern Galicia, and assumed command of the Galicia campaign. A despatch from Vienna reports that the Russians have been in general retreat since the capture of Komarivka, and that they are being driven along their entire front on the Dniester. The Austro-Germans forced a position on the Veresovka River, a short distance west of Lemberg.

This is taken here to mean that the Russians intend to evacuate Lemberg.

OTTAWA, June 20.—That the Ross rifle used by the Canadian troops at the front is the best in the western theatre is the opinion of Capt. S. J. Huggins of the Fourth Battalion, who was wounded at St. Julien. Capt. Huggins, who is one of the best known Canadian rifle shots and a British army veteran, was shot thru the left thigh and returned home today to recuperate. TEMPERANCE PLEA AT HOLY TRINITY

Rev. Dr. Powell Gave Strong
Reasons for Abstaining
From Excesses.

SYNOD WAS REVIEWED

Britain's Task Declared to Be
to Preserve Ideals of
Freedom.

Instead of the usual sermon yesterday morning at Holy Trinity the bishop's pastoral relating to the proceedings at the synod held week before last was read by the rector, who afterwards touched on three points—loyalty to the empire, loyalty to the church and the abstaining from the use of liquor.

The high spiritual note struck by the bishop of Alberta, Dr. Powell emphasized the fact, in connection with the synod, that it was not just a question of being the German now, but of upholding the great ideals of right, justice and freedom. With regard to the liquor question he quoted the opening words of the great Charter 1215: "The Church of England shall be free, and shall be subject to no man but to God alone, and shall be free to speak and have constantly spoken for freedom."

The Church of England, the rector declared, valued everything except the foundations, which must always remain.

Strong Temperance Lesson.

Advancing to the subject of temperance, spoken of in the pastoral in connection with the report of the Temperance and Moral Reform Committee, the rector said that he did not think it a sin for one to take a glass of liquor, but that it was a sin to be drunk. He quoted the words of the great Charter 1215: "The Church of England shall be free, and shall be subject to no man but to God alone, and shall be free to speak and have constantly spoken for freedom."

VETERANS DESIRE TO BE OF SERVICE

Patriotic Gathering at Queens-
ton Heights Tomorrow
to Help Recruiting.

SOLDIERS WILL ATTEND

Lieut.-Governor and Other
Notables Will Meet With
Men of Sixty-Six.

One of the greatest and grandest patriotic gatherings which has ever been held on the historic heights of Queenston by the Veterans of this association, will take place at Brock's Monument tomorrow. The veterans are engaged in the special work of promoting and encouraging recruiting among young Canadians when-wherever opportunity presents itself.

Altho the majority of these old veterans have passed the allotted span of life, to "form up" again and do their duty to the Empire, they are determined to do so. The object of the gathering is to prevent them from going upon the firing line, so they have adopted the plan of being of service to the Empire in the hour of need.

The grand rally which will be held on Queenston Heights under their auspices promises to be most inspiring, and will be an event which may not happen again for many years. The exercises will be commenced at 10 o'clock sharp and will consist of a parade of the old veterans, followed by a speech by Lieut.-Governor Col. J. Hendrie.

Patriotic addresses, music, dancing and other interesting features, concluding with a program of sports and games, will follow. The exercises will take place in the proceeding order: Lieut.-Governor Col. J. Hendrie, Geo. T. Denison, M.P., Mayor of St. Catharines, and others.

To make the gathering a success the veterans have received the co-operation of Col. Legge, who has kindly arranged for a route march of two battalions of the troops under his command to Queenston, accompanied by their band. The march will start at 10 o'clock and will be a most inspiring sight.

Excursion arrangements have been made via the Niagara boats, leaving at 11 a.m. direct to Queenston. The Veterans of 1866 Chapter, Daughters of the Empire, will accompany the excursion, and the ceremony will be a most patriotic one.

The exercises will be held in the afternoon, and will be a most inspiring sight.
