This is, without doubt, the strongest Development Company yet put on the market, the high standing of the directors assuring stockholders that their interests will be economically and judiciously handled.

One of the directors has gone to Rossland and the Hon. Mr. Edgar (the Provisional President), is now at Rat Portage, both will personally examine claims and mines for the Company.

The demand for the first issue of Shares at the low price of ten cents has been unprecedented, and the list will close in a short time at that price.
