Cobourg, Oct. 19. Telegram of yesterday containing the courteous invitation of Your Worship and the corporation that we should be the guests of the city on occasion of visit next month is fully appreciated and invitation accepted with pleasure.

It is probable that this visit will be made on the occasion of the first public function in the new City Hall. The Mayor has thrown out a feeler, which is meeting with a favorable reception, in the shape of a suggestion that the civic address to His Excellency should be now in course of preparation by City Clerk Bevin, should be presented in the new Council Chamber. This would be a calculated that it would have the effect of giving the aldermen and citizens a scent of blood which is now in course of preparation by City Clerk Bevin, should be presented in the new Council Chamber.

A public meeting of citizens has been called for this afternoon at 4.30 o'clock in the present Council Chamber to discuss the best means of doing honor to the outgoing Governor-General. A proposition will be submitted to have him formally open the new building. The Mayor proposes that the new Council Chamber should be patriotically decorated and that chains might be gotten at the old hall for requirements. Meantime he is hustling Messrs. Rust, Jones and Chambers, who have had in hand the improvement of the old hall.

THE PARTICULARS STAND

In the West Victoria Election Case - Other Matters of Political Import.

In West Victoria election trial, a motion was made yesterday at Osgoode Hall before Justice Oleser, on behalf of the petitioner, to set aside or strike out the particulars on the ground that some of them were issued after the affidavit of the petitioner verifying the same had been sworn.

Justice Oleser refused to strike out the particulars on the ground that they were tampered with, (2) (1) that they were a day or so late; and (3) allowing the petitioner to add further charges asked in the motion. The particulars were filed immediately after the judgment.

In North Middlesex particulars must be filed by Saturday. In South Huron a motion to commit the Conservative members, Mr. Silber, to jail for not appearing for examination was enlarged till Friday.

Re Sudbury Mines. In a writ issued by the Ontario Superior Court, the Canadian Copper Company, as assailed by one of its promoters, Mr. S. J. Ritchie of Akron, Ohio. The lands and mines now being worked by the company originally belonged to a syndicate of which Mr. Ritchie was chief member, holding the largest share. The others were Mr. C. H. Fayson of New York and Mr. H. B. Stevenson of Cleveland.

The motion is to set aside the conveyance of copper mines and lands in Ontario and could operate the mines. It seems, however, that the company was incorporated only after Mr. Ritchie wants the lands put into the hands of the syndicate again.

Salute the Municipality. Mr. Albert Ballagh, suing the Township of Etobicoke through his solicitors, Messrs. Gallagher and Bull, for \$10,000 damages, for alleged defective condition of a road which Ballagh while driving was overturned into a ditch and was seriously injured.

No More Smallpox. Word was received yesterday by Dr. Bryce that no more cases of smallpox have developed in Camden Township, County of Kent. It is thought the disease has been imported from Massachusetts some time ago.

Mrs. Elizabeth Cox, beneficiary under the will of the late George Cox of Guelph, is a claimant on a policy for \$1000 against the Massachusetts Benefit Life Association, at Osgoode Hall. The plaintiff contends that the claim was accepted before the association went into liquidation. The claim is disputed on the ground that the plaintiff gave his wrong age.

A Satisfactory Tribute. Newmarket, Ont., Oct. 12, 1898. The Pickard Renfrew Co. of Ontario, Limited, Stouffville, Ont. Gentlemen - A short time ago a pup was given to one of the junior members of our family, and upon investigation it was discovered that the pup was infected by some live stock in the shape of lice. He was continually whining and would scratch his hide until it became quite raw. I procured a bottle of your Permathe Dog Wash and after two applications as per directions the pup was cured. I am most grateful to you for the cure. It is without doubt a valuable remedy and I take great pleasure in testifying to its efficiency as a vermin destroyer and also as a cure for woe peculiar to the canine family. Yours respectfully W. J. Smith. To be had at our store, 12 King-street east, Toronto, Ont.

Care for Children's Teeth. A public meeting in the interest of Toronto school children will be held Friday evening at 8 o'clock at 55 Elm-street, discussing the best means of preventing the alarming decay of children's teeth. Mayor Shaw will preside and representatives from the City Council, Trades and Labor Council, dentists, physicians and ministers will be present to take part. A means of reaching the poor children in the schools will be the important question to be discussed.

Snow in the Catskills. Kingston, N.Y., Oct. 19 - There was a snowstorm in the Catskills on the Whiteberg Mountain in the town of Shandaken yesterday and another snowstorm to-day.

Market Improvement Would Stop This. Among the reductions was that of the property on the north side of Front-street, between West Market and Church-street, on the ground that business had moved west. It was cut from \$200 per foot to \$150 per foot. This is where the effect of the St. Lawrence Market improvements would be felt in increasing valuation.

Will Delay Elevator Tenders. In response to requests from the Otis and Portland companies, the Mayor has consented, subject to the approval of the Board of Control, to postpone for one week the acceptance of tenders for elevator cars. They will not therefore be opened before a week from to-morrow.

Building permits were issued yesterday as follows: To M. A. Blackwell, to erect a 2-story and attic brick residence at 164 Jameson-avenue, to cost \$2000; also to Patrick Maher, for a 2-story brick building shed at 10 Bloor-street east, to cost \$4000.

The Demon Dyspepsia. - In olden times it was a popular belief that demons moved invisibly through the absent air, seeking to enter the man afflicted there. At the present day the demon of dyspepsia is at large in the same way, seeking habitation in the nerves and muscles of the living. It is invisible to dislodge him.
