Carpets, Curtains, Furniture.

We pride ourselves on knowing what's what in the Home furnishing line. Visitors to the store will readily recognize that fact if they take a look through our stocks on the Second Floor. We always insist on having the best, not only the best but also the most complete and up-to-date stocks, and there must be variety enough to please every taste. After providing in this way we see to it that all extravagance is taken out of prices and the cost reduced to a minimum. That of itself is sufficient to make business good and brisk at this store. To-morrow is the last day of May—a month of record-breakers for our Homefurnishing Departments.
