LOCAL MARKET.

Thursday, June 13, 1907.

There was a slim attendance of farmers and buyers at the market today. No doubt the rain kept many of the farmers from coming to the market. Sales were quite brisk and prices were firm.

Grain—Oats took another jump today. They were sold at $1 52 to $1 58 per cwt. Mr. Alf Cave, who has been a regular buyer on this market for [illegible] 40 years, states that only in one [illegible] during that long period did [illegible] exceed what was paid today.

Hay and Straw—Although the 10 [illegible] hay that were offered for sale [illegible] in a wet condition there was a [illegible] demand at $14 to $15 per ton. [illegible] should be a demand for at least [illegible] loads at Friday's market. The small [illegible] of a ton or so sell the best. Straw [illegible] at $6 per ton.

Butter and Eggs—Butter was in fair demand at 18c for crocks, and 19c to 20c for pound rolls, in wholesale lots. Eggs are just a trifle easier at 16½c to 17c per dozen for crate and basket lots.

Vegetables and Roots—Seven loads of potatoes that were bargained for a couple of weeks ago sold at $1 25 per bag. The dealers are asking $1 35 per bag. Cucumbers sold at $1 per dozen, lettuce 30c per dozen, radishes 20c to 25c per dozen, green onions 40c per dozen and asparagus 50c per dozen.

There was not much poultry or butcher's meat offered, and prices were unchanged.

Dressed Hogs—Sold at the highest price so far this year, $9 50 to $9 75 per cwt. The above price will not continue long.

FOSTER IN NORTH TORONTO

Nominated to Contest Constituency for the Federal House.

Toronto, June 13.—Hon. George E. Foster, M. P., ex-minister of finance, was last night nominated by the Conservatives of North Toronto to contest that constituency for the Dominion House. The nomination was put through in rapid-fire style, and the selection was made in such haste, that many of the delegates who arrived at 8:15 were astonished to learn that on motion of Mr. James Baird, seconded by Mr. Frank Somers, and carried by a standing vote, Mr. Foster had already been given the unanimous nomination without another name being even mentioned.

FOURTEEN DAYS ADRIFT

French Fisherman Has Terrible Experience Off Newfoundland Banks.

New York, June 12.—Steamer Carmania, which arrived here today, brought Louis Vollet, aged 33 years, one of the crew of the fishing schooner Mimosa, from St. Malo, France, who was picked up on the Grand Banks off Newfoundland on Monday after he had been adrift in a dory for fourteen days. His dory mate had been drowned by a great wave, and Vollet had clambered back into the boat.

For six days he subsisted on sea biscuit and rain water, and when picked up had taken nothing for eight days.

NOT TO LEAVE PROVINCE

The Christian Brothers Willing To Take Qualifying Examinations.

Toronto, June 12.—The department of education does not credit the story emanating from Ottawa that the Christian Brothers will withdraw from the province if the regulations are enforced compelling them to take the course prescribed for all teachers. They have had assurances that the brothers will try the examinations, but as many are going into retreats this summer they may not try examinations until next year. The regulations however, provide that they may qualify any time before December, 1908. A number of applications to take examinations have already been received.

DR. WARDEN'S INVESTMENTS

Asembly Decides Not To Attempt To Recover Moneys Lost.

Montreal, June 12.—The unfortunate investments of the late Dr. Warden on behalf of Knox College were again discussed this morning at General Assembly, and ended with a minute which will replace the original minute put on the books Monday. The minute is to the effect that the result of the inquiry instituted by the board was proved that certain investments of college funds had been made in securities not such as are authorized by the act passed in 1884 to amend the act incorporating colleges, and unfortunately, serious losses had thereby been sustained, amounting to $37,500. The board, after careful consideration of all the circumstances, said it was resolved not to take any action in the matter with a view to recovering moneys lost in unauthorized investments. It was further ordered that all securities of this class now held be sold and the proceeds invested in authorized securities.

MONTEITH DOESN'T LIKE IT

Not in Favor of a National Dairy Show at Toronto.

Toronto June 12.—Hon. Nelson Monteith did not give much encouragement to the deputation which waited on him today and asked that the Eastern and Western Dairymen's Association be combined with one national exhibition at Toronto.

At present the Eastern Association holds an annual exhibition at Ottawa and the western at Guelph. It was not proposed by the deputation that these should be abolished, but merely that they should be subsidiary to a national exhibition in Toronto. No money grant was asked. The Government was urged to co-operate in the educational feature.

Hon. Mr. Monteith frankly admitted that he saw many objections to the proposal, but promised to take it into his consideration. It is not likely that the request will be granted.

W. K. McNaught, M. P. P., Hon. Thos. Crawford, M. P. P., and A. McCowan, M. P. P., introduced the deputation, which included representatives of Toronto, York, the board of trade and the property committee.

CATHOLIC FORESTERS

Chatham, June 12.—At today's session of the Provincial Court of the Catholic Order of Foresters, Berlin was chosen as the next meeting place.

The order went on record as opposed to the proposed increase of rates, but decided to leave the matter to the discretion of the delegates to the international convention. The convention favored the appointment of organizers to work in the Northwest provinces and British Columbia.

With Women, It's Looks First

The average woman considers her looks first, her health afterwards. That's why we hear of so many cases of broken health and nervous prostration.

She wears furs and heavy garments on a cool afternoon; in the evening, with the thinnest kind of gown, she attends the theater or party.

These foolish irregularities in dress reap their own reward in suffering. It is only when colds that lead to pneumonia result that she gets frightened and seeks a remedy that restores health.

Let her take Ferrozone!

It soon gives vigor to the body, quickly brings color to the cheeks, rests the nerves and strengthens.

Ferrozone sharpens appetite, invigorates digestion, adds weight; it gives the muscles tone and elasticity that makes the ailing one feel young, strong and vigorous.

If you want strength, good color, high spirits and energy, use Ferrozone. It's the most nourishing tonic made; sold everywhere in 50c boxes.

SHEPLEY SHARP WITH BELL

Says Tariff Is More Than Adequate From Company's Viewpoint.

Montreal, June 12.—Mr. C. F. Shepley, K.C., today submitted to the railway commission the following report of the inquiry into the tariffs and methods of the Bell Telephone Company:

"Our summing up is that from the standpoint of the Bell Telephone Company, there is evidence that would justify this board in saying that its tariffs are more than adequate—that there is evidence that would justify this board in concluding from the standpoint of the public served that the individual tolls, the local rentals, the long distance tolls and the local tolls are all susceptible of modification without doing any real injury to the interests of the Bell Telephone Company."

In his argument Mr. Shepley intimated that the company endeavored to befog attempts to secure information as to the relative profits of long distance and local services. He also charged the company with using profits that should have gone to the shareholders.

An adjournment was taken until next Wednesday, when the company's counsel will state its case.

LONDON VOCALIST SCORED

Moncton Paper Speaks Highly of Singing of Mr. V. L. Hewer.

The Moncton Transcript has the following to say of the singing of Mr. Verne L. Hewer, of this city, who is at present in the east:

Mr. Verne L. Hewer, baritone soloist of St. Andrew's Church, London, Ont., delighted large congregations at Central Methodist Church at both services on Sunday. In the morning he is heard in a setting of "Rock of Ages" by Remick, which was thoroughly adapted to his voice. In the evening he sang "Babylon," by Adams, and "A
