SENTIMENT DIVIDED.

St. Thomas, Ont., Nov. 18 .- (Special.) -Leading men in this city are divided as to what form assistance to the British navy should take, tho all seem to be in favor of Canada sharing in the imperial position. A representative opinion from this point of view is that would nearly choke, and then my heart sident of the Canadian Cub, who would stop beating. I could not lie on thinks that Canada is bound to accept conditions as they are, and asweak I could not work. A friend told me sume its place as a nation by building to try Milburn's Heart and Nerve Pills, a naty. He is against a cash contriand before the first box was taken I was fution, as he does not know where almost well, and the second box completed the cure. I have advised many tion were the basis, a few years might on the matter of naval defence. Mr. cured of the same trouble. I have offered diture, over which it would have no control On the other hand, there are citizens

like Ald. Meehan of the Imperial Club who are in accord witht the Maclean olicy of cash contribution.

INCLUDED IN ESTIMATES

Minister of Finance Announces the Country's Expenditures for the Next Fiscal Year.

W. S. Fielding, finance minister, laid the 1910-11 fiscal period. These call for total expenditure, exclusive of any supplementary estimates which may be brought down, of \$127,670,993. Of this, \$91,891,578 will be chargeable to consolidated fund and income, an increase of \$10,752,940 over the current fiscal year. The remainder, \$35,779,415, will be charged to capital expenditure, an increase of \$5,294,675.

The capital expenditure will include the large sum of \$31,981,415 for railways and canals, of which \$27,000.000 is for the National Transcontinental Railway, an increase of \$7,000,000 over the current year. The total amount to be voted for

Canada's naval service will be \$3,676,-500. For the navy proper, the vote will be an even three million dollars, the expenditure to include "the purchase, construction and maintenance of ships, the maintenance and upkeep of dock yards at Esquimalt and Halifax, and he establishment and maintenance of training schools."

vote are \$320,000 for hydrographic surveys, including a survey of the Hudson Bay, \$281,580 for the fisheries protection service, and \$75,000 to provide for the construction of a steamer for surveying the Gulf and River St. Law-What They Will Spend
