COLONIA ILWAY YOU he List for Copy of

to Summer aunts"

VANCOUVER, May 24.—At the close former, and that loyalty will be the supreme issue in the next canvass. These hotspurs would like to have it so, but they are dragging the sover-eign into the deépest waters of cur-rent politics when they talk in this excited way. The King has not been an offeasive partisan while heir to the throne, and he will naturally be-come impartial and neutral as a con-stitutional sovereign. His inexpérience

agreed with the other members of the government when the Crow's Nest specifications were accepted. He said he knew absolutely nothing of the construction company. He had abso-lutely no memory as to who was to build the road, altho he would not say he did not know that McArthur fin-ally decided not to do so. He could not explain why the specifications of the A. and G. W. were made to the Crow's Nest standard or those of the Canadian Northern main line, except-ing that they were practically the same.

Realty and Building, The new Jacobs' building, now near-ing completion at Montreal, gives to that city what is defined to be a

Men, I'll Cure You

Mr. Samuel J. Harnett, North Gower, Ont., says :- Your Belt cured me of igestion and other aliments four years ago.

DR. MCLAUGHLIN'S ELECTRIC BELT

restores the vital powers to men and women. It makes strong, healthy men and women out of mental and physical wrecks. It is a positive and lasting cure for Indigestion (Dyspepsia). Constipation, Headache, Drowsiness, Rheumatism, Neu-raigia, Lumbago, Sciatica. Weakness of the Back, Weakness of the Nervous Sys-tem, Sleeplessness (Insomnia). It overcomes the terrible results of early indis-cretions. It restores the vitality that is lost. It corrects every sign of mental impairment and physical breakdown. Here I give you a few samples of the kind of letters I receive every day by the score from people who have found Health, Strength and Happiness through the use of my Belt.

Do you doubt it? If so, any man or woman who will give me reasonable security can have my Belt, with all the necessary attachments suitable for their case, and they can

SLEPT ON LIMEKILN—IN HOS.
MONTREAL, May 24.—Arthur Dou-sire, having no regular place of abode, chose the top of a lime kiin for s bed hast night and the consequence was so serious that he night he side he had never known of burns resulting from his ill-consider-ed colice. During the night he side he top of a lime kiin for s bed hast night and the consequence was so to the purchase of The Edmonton to the kiin, and, alto there was no fire there, the lime burned him bgdiy and he was injured by the fall.
Higher Rate for Call Loans.
MONTREAL, May 24.—The first of the local banks to increase the fast of the local banks to increase

Clark financing the rallway com-paign of The Calgary Herald and Ed-monton Journal, or his having financed Jesse Dorman when he made the trip. He declared again that he never knew that Cornwall and Cross were

of the legislature this year. Speaking of the interest on the bonds, he said it was made five per cent. because it

was necessary to guarantee a fairly large interest, as the road was a plo-neer one. He did not know who fixed the time of the bonds, making them 50 year ones, redeemable at 112 in 10 years.

No Pay CAUGHT PICKPOCKET AT RACES I want to talk to men who have pains and aches, who feel run down physi-cally, who realize that the old "fire" and energy which was so evident in youth is absent now; men who can't stand the amount of exertion they could years ago. I want you-df that means you-to come to me, and if I say I can cure you I don't ask you to pay me until I DO so. That is fair, surely. You take no chances, as I know what I can do, and I'll run the risk.

Detectives Saw Him Put His Hand in Another Man's Trousers.

Only one pickpocket was got by the police at the Woodbine track yester-day. As Detectives Murray and Mc-Kinney, with Detective Rogers of the provincial force, were standing in the betting ring, just before the fourth race, Rogers saw a well-dressed man thrust his hand into the hip pocket of another standing directly in front of him. Rogers and Murray pounced on the

Rogers and Murray pounced on the hand, which was found to contain just \$101 in bills. They held that hand while MsKinney grasped its mate. At the station the young man gave his name as T. N. Doyle, his age as 22 years, and his address as Chicago. The man who lost and afterwards id-triffed the most recent additions to the re-cords of those attached to the Aca-demie Nationale de Musique et de la Dance aré discs reproducing the voices of Note, Delmas, Mile. Breval, Mile. Grandjean and Mile. Hattó. All these well-known singers have willingly sung for posterity without entified the money was William Brush of Burlington, Ont.

HOE THEIR OWN ROW

Commercial Cable Co. Will Have No Dealings With the Anglo-American.

NEW YORK, May 24 .- Clarence H. Mackay to-day made the following Mackay to-day made the following statement regarding the report in the London and American papers that the Commercial Cable Company had form-ed an alliance with its competitor; the Anglo-American Telegraph Company: "The Commercial Cable Company never has had, and has not now, and does not intend to have, any connec-tion whatsnear with its competitor; the connection of a young woman, who also loved him passion-ately. When Tamango died the young woman, heartbroken, relired to the does not intend to have, any connec-tion whatsoever with its competitor, the Anglo-American Telegraph Com-pany, either in the way of controlling its stock or making any traffic agree-ment or in any other way. The Com-mercial Cable Company will continue to be independent and competitive, just as the Postal Telegraph Cable Com-pany will continue to be independent and competitive. All reports to the contrary are false." woman, heartbroken, rotlied to the country for a long time. Eventually she returned to Rome and resumed her former mode of life. One day she went to a musical festival at a theatre in the capital. During the en-tra'actes selections were given on a phonograph. Suddenly from the in-strument came the stentorian voice of the famous maestro, apostrophizing Desdemona in tones of anguish and fury. As the despairing words "Infi-

heim to-day there is a renewal of in-terest in the report that he and King. George will take up the work of the late King Edard VII. and become the two peacemakers of the world. It is held that the German Emperor's last message to the English people bears out this contention. The message storeys high, and designed to carry three additional storeys as the need

for further accommodations might de-mand, has a frontage of 265 feet and a depth of 136 feet. says: A PHONOGRAPHIC MUSEUM. "The German Emperor warmly ap-

Tamagno's Former Sweetheart Faints at Dead Singer's Voice. ment."

The French Anthropological Society, continuing its campaign in favor of the establishment of a phonographic museum, is gradually adding to the interesting collection of nearly 500 cylinders offered to it by Dr. A. Azou-lay. These include records of the The Kaiser left amid the same impressive silence and the same lack of ceremonial which marked his coming ceremonial which marked his coming on Thursday. No cavalcade accom-panied him to the station, no troops lined the streets, there was no mount-ed guard of honor, no cheering by the cylinders offered to it by Dr. A. Azou-lay. These include records of the languages and idioms spoken all over the globe, "phonograms" of conversa-tions in the language of the Lapland-ers, contributions by Kaffirs, and the natives of the Soudan and Dahomey, incomparison of the Soudan and Dahomey. thousands of people congregated. More than any other foreign monarch, More than any other foreign monarch, perhaps, the German Emperor has im-pressed the people of England and in happier circumstances his visit would have been celebrated in a way to show the respect in which he is held, but the shadow of the nation's loss, as the Kaiser emphasized it in his last mess-age regarding his own personal loss, was over all. mprovisations by Annamite, Chinese and Japanese poets, Russian and Polish choruses, and many other curi-ous and interesting specimens of the was over all.

### SHAM FIGHT AT BELLEVILLE.

Anthropological Society, and among the most recent additions to the re-BELLEVILLE. May 24.-Walter Lambert, a hackman, of this city, had his leg broken and was badly shaken up thru his team running away at Chinese have been killed and a chapel destroyed by rioters at a village ba

Victoria Day was quietly celebrated here. The 15th Regiment went out in All these well-known singers have willingly sung for posterity without expecting any remuneration. But when one of the oldest "pensionnoires" here. The 13th Regiment went out in the country and had a sham fight this morning. They returned about noon and fired a feu de joie in front of the drill shed. There was to have been an afternoon of athletic sports on the driving park, but the rain last night spoiled the track and the sports had to be postponed. at the opera was asked to do likewise he replied that he was quite willing on condition that he received £20. He Is still waiting for the money, and it is to be feared that if he holds to his to be postponed.
