To Professor HOLLOWAY.

Sir,—About Four Years ago my little girl caught the Ring-worm and although I have ever since had advice from many Doctors, and tried every means to get rid of it yet I was unable to do so. About three weeks ago I was induced to try some of your Pills and Ointment, and I am most happy to say the result has been a perfect cure.

#### Cure of a Desperate case of Erysipelas.

*Copy of a Letter from Mr. Joseph Gildon, Jun, farmer, East Keal near Spilsby, Lincolnshire, 8th April, 1846.*

Sir,—I have the gratification to announce to you a most wonderful cure wrought upon myself, by the use of your Ointment and Pills. I had a severe attack of Erysipelas in my right foot, which extended along my ancle, and was attended with swelling and inflammation to an alarming degree, insomuch that I was unable to move without the use of crutches I consulted a very eminent Physician, besides other Medical men but to no purpose. At last I tried your Ointment and Pills, when strange to say, in less than two weeks, the swelling and inflammation gradually subsided to such a degree that I was enabled to pursue my daily avocation, to the utter surprise and amazement of those who where acquainted with my case, seeing that I was cured so quickly I and my family are well known here, as my Father holds his farm under the Rev. J. Spence, Rector of our parish.

as to the Extraordinary Power of Holloway's Ointment in the cure of Ulcerated sores.

*Extract of a Letter from the above celebrated Physician.*  
To Professor HOLLOWAY.

Sir,—I think it but an act of Justice to inform you that I have tried your Ointment in several old cases of Ulcerated Sore legs, which for a considerable time had resisted every kind of treatment, but which were afterwards effectually cured by its use. In the treatment of bad Breasts I have also found your Ointment of the greatest service. Indeed from my practical knowledge, I conceive it be a most invaluable remedy.
