Madam,
In reply to
your letter of the
23rd instant, ad-
dressed to the S.G. of
I.A., I beg to inform
you that Mr. ^{Supt.} Gillison
reported on the 6th
of February last
that he proposed
to allow any of
the trespassers
who had put in
seed on their lots
within the ^{the Grand River,} Indian
Reserve to come
and reap their
crops upon doing
justice to the
Indian ^{owner.} - You
should therefore
communicate
with Mr. Gillison
on the subject of
your letter directly
