

ONTARIO CONFERENCE AUXILIARY.

The Secretary of this Auxiliary, Mrs. A. C. Maybee, reports as follows:—

At the request of the Board of Managers of the Woman's Miss. Society, I attended the Ontario Conference at Georgetown, and was kindly given time to present the claims of our Society, explain its workings and design. I met with great encouragement from the ministers, but failed to secure large enough attendance at the Woman's meeting to form an auxiliary. During the Conference a request was made that the Woman's Miss. Society undertake the raising of \$150.00 for the support of a missionary in Brandon, Manitoba; thus in a manner pledging themselves to co-operate with us in the raising of funds.

Subscriptions to the amount of \$23.00 were paid, more promised and one life member secured.

In this Conference we have also to report the forming of an auxiliary, in Belleville, April 13th, 1882. Quite a large attendance of women showed the interest taken in this work here. Several new members were received, many old ones renewed and one life member secured. This auxiliary intends holding monthly meetings, consisting of literary and musical selections, of a missionary character, hoping by these means to arouse a greater interest.

University Church S. S. Circle is also prospering both financially and in increased activity of its members in the missionary work. This is the only "Circle" that has kept up its work and contributions since its formation in 1877; reporting this year \$18.35.

I have also to report from a "Circle" in Smithville \$1.50, raised some time ago but now reported.
