## ATHLETIC

## May Visit Sweden.

New York, Dec. 15.—Ernest Hjertberg, an American athletic trainer, who has been coaching the Swedish track and field men under government supervision for the last four years, has sailed from Stockholm for this country, according to advice received by his brother, Herman. According to reports received here from Sweden, Hjertberg has received a leave of absence of four weeks and will return to Stockholm, where he makes his headquarters, soon after the holidays. It is possible that the former New York A. C. and Irish-American A. C. trainer may make arrangements for a visit of a team of American athletes in Sweden next year. Sweden has practically concluded arrangements for a visit to that country by three of the best amateur boxers of this country.

## Peace in Major Leagues.

At the annual session of American League magnates, which is being held in Chicago, the agreement between the National and Federal leagues was discussed and met with approval. The league consented to appoint a committee to meet envoys from both leagues. This likely means that the Federals will be done away with as an independent organization.

## Another Deal Rumored.

New York, Dec. 15.—There were more rumors of trades, chief among which is one that would bring J. Franklin Baker to the New York Americans. It was said that the Yankees proposed to turn Mabel over to the Red Sox, the Red Sox in turn to deliver Gardner, Wood, and Collins to New York, which would in turn give either Wood or Collins to Cleveland. Cleveland releasing Chapman to the Athletics and Baker coming to the Yankees. In addition it was said that Col. Ruppert stands ready to give the Athletics a check for \$15,000.

## TUES.

## Arlene Goes To North Shore.

(Frederick Gleason.)  
Arlene (2081-4), a free-for-all recently secured by W. H. Key of St. Stephen, from L. H. Acker, of Halifax, in a trade for Baron Patchen (2171-4), is now owned on the North Shore. Mr. Key, who was in Fredericton yesterday, has traded the pacing mare to Dalton Brothers of Newcastle, for a seven-year-old mare by Will Be Sure (2151-4). Arlene should prove a handy pacer for the Daltons, who like speed.

land, and Ritchie Mitchell, of Milwaukee, was again postponed last night, this time until the afternoon of Jan. 1. Kilbane telegraphed that he was recovering from an attack of acute indigestion.

## Willard Will Get \$32,500.

Jess Willard and Fred Fulton will meet in a twenty round championship bout in New Orleans on March 4. Articles were signed in Chicago yesterday. Willard is to receive \$22,500, win, lose or draw, and Fulton is to get \$7,500.

## Langford Case Dismissed.

The case of Sam Langford, colored boxer, charged with assault on his wife Martha, was dismissed in the Roxbury Municipal Court on Tuesday. Mrs. Langford refused to testify against her husband, who was not present, but was represented by counsel.

FEDS. MAY BUY CLUBS  
IN NATIONAL LEAGUE

Cubs, Cardinals, Giants and Pirates Are Mentioned in Amalgamation Deal

## High School Prize Winners

At the High School Christmas closing tomorrow prizes will be presented as follows: Miss Catherine Fitzpatrick, high school entrance, G. S. Mayes gold medal, chairman's gold medal, lieutenant-governor's silver medal; Bernard Haley, Corporation gold medal, Parker silver medal; Horace Wetmore, governor-general's silver medal; Edith Treutowsky, Alumni gold medal; Gladys Keating, volume of Burns poetry; Gwendolyn Ewing, Ellis gold medal; Chester Brown, Macaulay's History of England; Marion Cruikshank, Fortnightly Club set of books.

Weighman and his associates are to purchase the Cubs from Charles F. Taft

and combine them with the Whales to form the National League club to play on the North Side in Chicago.

George Ward and Harry Sindlar, the wealthy backer of the Brooklyn and Newark clubs of the Federal League, respectively, are to combine and buy the New York Giants.

Ed. Gwinner of the Pittsburgh Fed is to be sold a half interest in the Pittsburgh Pirates and become a partner of Barney Dreyfus in the National League club of that city.

Phil Hall is to purchase the St. Louis Cardinals from Mrs. Britton and conduct the National League affairs in the Mount City.

As the Federal League has already kicked Kansas City and Buffalo out of the league, such a plan of peace would leave only the Baltimore club backed out in the cold and the belief is that they would be satisfied with a berth in the International League.

THE CHAMPION  
CYCLIST EARNED  
OVER \$100,000

New York, Dec. 15.—Frank L. Kramer, the world's champion cyclist, was thirty-five years old last week. He has spent most of his time straddling a pair of wheels for the last eighteen years and although now threatening to quit the game, is almost as good as ever.

The famous cyclist is a native of New Jersey and lives in East Orange. In many ways Kramer stands out as one of the greatest of living athletes. In every other domain of active sport champions have come and gone, and been forgotten, but Frank seemingly goes on forever.

During the recent season all the crack foreign riders entered into a conspiracy to dislodge the veteran from his throne, but their plot failed and Frank won his fifteenth consecutive championship.

Cycling is one of the most wearying of sports, and few men last more than five or six years at it. Kramer entered the game when he was only seventeen and he was amateur champion of America for two years before he turned professional.

His first year he was runner-up for the title, and ever since he has won it in spite of the stiffest opposition. He has made four trips to Europe and on two occasions received from the President of France a medal emblematic of the world's cycle championship.

Last year Kramer won every race in which he engaged, on the other side, while in 1913 he captured the world's cycling title at the Velodrome d'Hiver in Paris.

Kramer lives a simple, temperate life but is not a faddist. He eats and smokes occasionally but not while in training. "Know thyself" is his motto for he declares that every man needs a different system of training, diet, exercise, etc. During his professional career Kramer is said to have cleaned up considerably more than \$100,000.

GAVE UP \$3,800 A YEAR TO  
SERVE KING AND COUNTRY

Hamilton, Ont., Dec. 15.—The case of Lieut. J. J. Dixon, of New York, emphasizes the spirit of sacrifice that prompts many men in the service. Dixon left a position which brought him \$3,800 a year with a New York steel firm to enlist. He is a South African War veteran and will be attached to the 86th

page.
