**The "Red" Wilds**  
Belfast, May 27.—"Red" Wilds, outfielder, has landed in Belfast and is coaching the Belfast High School team on inside ball. "Red" is in great shape, he says, and is at present open to engagement for the season for any team that wants a heavy-hitting general utility man, who can play well almost anywhere.

**Demitt Released**  
Chicago, May 27.—Outfielder Ray Demitt was released to the Toronto International League club today by the Chicago Americans. He came to the White Sox last year from Detroit.

**Dissension Among Red Sox**  
St. Louis, May 27.—Despite the details of dissension on the Boston Red Sox, the reports will not down. It is remembered that last year only a few days before Jake Stahl was discharged as manager of the Sox, there were reports about of trouble between Stahl and McAlister and that both vigorously denied such reports. Likewise, the players denied the reports of dissension. Manager Carrigan admitted before departing for Philadelphia that there had been talk of trade between the Red Sox

and the Browns, but that nothing had come of it. He refused to say what players had been involved in the supposed deal. It is said, however, that President Lamm had offered to President Hedges, Hay Collins for either Wellman or Pratt, and that Hedges had refused to consider a deal which would take from his team his leading pitchers and one of his best sluggers. At any rate the report is that Boston wants to dispose of Collins.

**Early Hours For Braves**  
Members of the world's champion Boston National baseball club have been forbidden by Pres. Gaffney to appear at social events hereafter without special permission. Mr. Gaffney said that he had issued orders with a penalty of indefinite suspension for violation. After their success in the last world's series the Braves became popular at dinner parties. The ban on social activities follows a slump of several days in their playing.

**Willard vs. Coffey.**  
New York, May 28.—Champion Jess Willard will meet Jim Coffey in a ten-round bout in New York on Labor Day. While articles have not been signed all signatures, it is probable, will be affixed within the next week or ten days. Willard has decided that the public does not favor a "stage champion," and has consented to a battle with Billy Gibson's Irish champion, Jack Curley, who promoted the Willard-Johnson championship struggle, and who is one of the best managers, today admitted that this match would materialize.

"Willard will surely fight on Labor Day," said Curley. "He wants to get back into the ring. He doesn't like stage work, but can hardly turn down the easy money and get back into harness before September. Coffey will surely be his first opponent, unless Jim is beaten in the meantime."

**Jack Munro at Front.**  
Jack Munro, ex-heavyweight pugilist, who was, until a few months ago, a successful northern mining prospector, is now at the front with Princess Patricia's regiment of the Canadian contingent.

"We were placed at the extreme left of the British line, relieving the French," he writes. "We left England Dec. 10, and arrived at our billet a few days later. Our line was almost the shape of a horseshoe, where enfilade was going on all the time. This was near St. Eloi, and where we lost our old colonel. Since then the regiment has been almost wiped out. There are not more than 100 men and two officers left of the original draft. So far I have been wonderfully fortunate. With men here

**Nervous Prostration and Heart Troubles.**  
Nervous Prostration, or Neurasthenia, is one of the worst forms of nerve trouble and brings about a general weakness of the whole nervous system. The symptoms presenting themselves are headache, a feeling of depression, disturbed and restless, unrefreshing sleep, often troubled with dreams, faint when in crowded places, dizziness, loss of appetite, muscular weakness, sense of fatigue upon exertion. When the nerves become affected in this way the heart generally becomes affected too. All are curable if taken in time. Milburn's Heart and Nerve Pills are the best remedy for this condition. They strengthen the nerves and build up the whole system. Mrs. John Hewson, Caledonia, Ont., writes: "I feel it my duty to let you know the great benefit your Milburn's Heart and Nerve Pills did for me. I suffered for four years with heart trouble and nervous prostration. I was so bad I could not go up stairs without sitting down at the top before I could go to my room. I could not sleep nor could I lie on my left side, for it would seem as if my heart would stop. I thought my life was over. I was doctoring with the doctor, but didn't get any benefit. I took eight boxes of Milburn's Heart and Nerve Pills and am enjoying good health."

Price, 50 cents per box, 9 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

At Belmont Park, New York on last Saturday a terrific thunderstorm arose and continued for about twenty minutes. Lightning, which played all about the grand stand, struck the stable of James Butler, and killed the three-year-old, Apple and Jangling, and a two-year-old by King James. Apple was a winner the day previous. Eight others of the Butler horses were stunned, but Pebbles, the star of the stable, escaped injury.
