## POPULARITY OF BRAZILIAN IS ON INCREASE

Trading Quickened by Rumor of Proposed Sale of Telephone Co.

PRICES GO HIGHER IN WALL STREET MART

Boom Late Yesterday in Rails and Motors Continued at Opening

more pronounced at the opening this morning. The strength and activity of this issue is attributed to a rumor of the company selling its telephone system. Its sale would mean \$25 to \$30 in cash for each share of Brazilian. The opening price this morning was 94 1/2 and shortly after jumped to the new high of 95 1/2 for a net gain of 1/2.

Consolidated was another strong and active feature, selling at the new peak of 22 1/2 for an advance of 1/2. The balance of the market was active and strong.

### IN WALL STREET

NEW YORK, Feb. 3.—Stock prices continued to work higher at the opening of today's market, extending yesterday's late upturn in rail and motor shares. Union Pacific and Canadian Pacific led the advance in the carriers, but Delaware and Hudson broke more than 3 points in reflection of the collapse of the coal parity. Federal mining jumped six points, and initial gains of 1 to 2 points were scored by DuPont, Hudson Motors, Associated Oil, United Drug, Texas Gulf, Sulphur and United Fruit.
