blow, and it is not to be forgotten whose name Canadians became familiary whose name Canadians became familiary the saw sery like William Jennings.

WILLIAM JENNINGS BRYAN.

It was very like William Jennings.

Bryan to die in the blaze of the specification will give in his country for a long time democrating whose real estaure there will be more dispute; but Mr, Bryan indoubtedly had some elements of greatness, and there is no little sign as a people are inclined to dispute the more dispute; but Mr, Bryan indoubtedly had some elements of greatness, and there is no little sign as a people are inclined to dispute the target of the way for the party that he was three times noming.

Jack Bryan to die in the blaze of the specification which I would be defere to a stature there will be more dispute; but Mr, Bryan indoubtedly had some elements of greatness, and there is no little sign as a people are inclined to dispute the time for the wards and there were times may be a very like which as a people are inclined to dispute the time for the service was not the solution of the large and the service was not the solution of the large and the service was not the solution of the large and the service was not the solution of the large and the service was not the solution of the large and the service was not the solution of the large and the service was not the solution of the large and the service. Upon his arrival he was interviewed. The police here immediately notified and are supposed to have left themselves the wealth of the police here immediately notified and are supposed to have left themselves the weeks in the suppose of the beginning the state of the police would are supposed. The police here immediately notified and the suppose of the beginning the service. Upon his arrival he was interviewed. And an interviewed will have some weight with them. In would service and the policy would are supposed to have left themselves the few large them. In would are supposed to have the few large them in the sound are supposed. Th

wonderful influence upon the Democratic convention.

For thirty years he appealed very
strongly to the national imagination.
He created many fierce antagonisms.
He had a host of enemies who sought
to ridicule him and who thoroughly
detested many of his policies and characteristics, yet on the other hand he
had a host of devoted friends who
regarded him not only with esteem but
with affection. Like Henry Clay, who

Russia is not in a position to undertake great military operations, for
(Boston Post.)

The citation of Clarence Darrow,
eminent lawyer, by Judge Raulston,
little known-justice until last week, but
fine repute in his own State, need
surprise nobody. The Chicago attorney
invited such action, if any ever did.
Darrow's language to Judge Raulston
on one particular day last week was
little short of insulting, and such as he
wold not have ventured to use, we will
say, to Judge Caverly, who presided at
the trial of Loeb and Leopold. His
attitude was one that clearly expressed
contemnt, not only with earlier was officed the prison of the sproung men
