BOWLING.

Garrison League.

Two interesting games were rolled on the armories alleys on Saturday night. In that between the Atlantic Sugar Refineries and the Garrison Sergeant's Mess, the former took all points from the latter boys, Davidson for the losing team having a fine average of 104. The other game was between the Dominion Rubber System and the Maxims, who represent the Machine Gun Brigade. In this game the militia turned the tables and took all four points from the outsiders. Gunner Barry, starting for the winners, had an average of 98.1-3.

The game on Monday evening between the Tigers and the C. A. M. C. is postponed as the former are having their annual inspection by the G. O. C. of the district.

Clerical League Meeting.

A meeting of the captains of teams in the Clerical Bowling League was held during the week-end in the office of the New Brunswick Telephone Company in Prince William street, with Frank Ashe, president of the league, in the chair. Representatives of nearly every team in the league were present and important matters in connection with the making-up of several of the teams were disposed of satisfactorily. It was announced at the meeting that the name of the team known thus far in

the league schedule as Railway Mail Clerks would be changed to District Postal Service Clerks. A protest from the District Postal Service Clerks in connection with a game forfeited to the Canadian General Electric team early in the season was disallowed. It was decided to leave the arrangement of the prize list until a little later in the season.

PATHE NEWS—TOPICS OF THE DAY.

Senor Valentino's popularity is universal and his directors are very wisely confining his playing to roles best suited to his Latin personality and amorous style of acting. He is splendid in today's picture.
