KENNEDY GETS RID OF TROUBLE

Eats Anything and Never
Misses Day From Work
Since Taking Tanlac, He
Says.

"Tanalac seemed to be made exactly
for my trouble," said R. J. Kennedy,
who works for the Dominion Iron and
Steel Company, Sydney, Nova Scotia, re-
cently. Continuing, he said:

"For the past six years I have suf-
fered more than I will ever be able to
tell. My appetite had gone back on me
entirely and little I did manage to eat
by forcing it down would sour and I
would bloat until I was in misery. Gas
pressed against my heart causing it to
palpitate dreadfully and it was all I
could do to get my breath. I could not
eat any meat or vegetables of any kind
and had to live on the lightest of diets
for I ate the least thing heavy I had
such intense pains in my stomach they
would nearly draw me double and I
thought at times they would kill me. I
had a headache and neuralgia nearly all
the time and many times I had to stay
away from work, as I would be in such
pain I was almost wild. I had tried
every kind of medicine I could hear of,
but none of them did me a particle of
good. Toward the last and in the early
part of this year my condition became
so bad I thought I would have to give
up entirely, for I was so weak and run
down I could hardly drag myself around
and my work was simply torture.

"Well, when Tanlac came my way I
did not hesitate a minute in making up
my mind to try it. For after hearing so
much of the good it was doing others I
thought it might help me, also, and af-
ter I had taken it for a while I began
to get better. I continued taking it
until now I have taken six bottles, and
my improvement is remarkable. I never
have the least sign of my stomach trou-
ble, although my appetite has returned
to such an extent I am hungry all the
time and I eat just anything I want. I
am never bothered with gas or palpi-
tation of the heart and am entirely rid
of the headache and neuralgia, and never
miss a day from work, as I have re-
gained my strength and, in fact, am en-
joying as good health in every way as I
ever did in my life. I believe all any
one has to do if they are suffering as
I was to get rid of their troubles is to
take Tanlac, and I am glad to recom-
mend it."

Tanalac is sold in St. John by Ross
Drug Company and F. W. Munro under
the personal direction of a special Tan-
lac representative.—(Advt.)

LORD READING AS THE AMBASSADOR TO STATES?

Montreal, Jan. 5.—A London cable to
the Montreal Gazette says:—Politicians
are already beginning to discuss who
will be asked to go to Washington in
the event of Lord Grey's resignation. It
is recognized that now more than ever a
man of the highest distinction is needed,
and it is argued that Lord Reading's
great success during the war marks him
out as unmistakably the man for the
post.

The government, it is rumored, will
offer him the appointment, although it
is recognized that he would prefer to re-
main lord chief justice.

ZIMMERMAN MAY JOIN THE PIRATES

Was Suspended by McGraw
Last Year—Friend of
"Mooney" Gibson.

New York, Jan. 3.—According to in-
formation received from a reliable source,
Heinie Zimmerman will wear the uni-
form of the Pittsburgh Pirates next sea-
son.

It is said that a deal involving the big
third sacker now is on between the
Pittsburg club and the Giants, but fur-

ther action on the proposed trade or sale
will be deferred until the return of John
McGraw from Cuba.

Zimmerman was suspended by Mc-
Graw toward the close of the last season
for violating the Giant leader's training
rules, and at that time and on several
occasions since McGraw has declared
that Heinie never again will appear in
the batting order of the local club.
The report that the Pirates are angling
for Zimmerman is significant in that it
follows closely on the heels of the ap-
pointment of George Gibson as manager
of the Pittsburg club. When Gibson was
a member of the Giants he and Heinie
were room-mates and close friends.

ROME NOT ANXIOUS TO HOUSE VON BUELOW.

Rome, Jan. 3.—(Havas)—Prince Von
Buelow, former German chancellor, re-
cently sent to Italy on a diplomatic mis-
sion, has been informed that his pres-
ence in this city was undesirable for the
reason it could cause trouble for the
Italian government, according to news-
papers here. As a result he will spend
the winter at Lucerne, Switzerland.

BIDS \$400,000 FOR BIG FIGHT

Coffroth's Offer Accepted for
Dempsey for 45 Rounds
with Carpenter.

Los Angeles, Cal., Jan. 4.—Jack Kearns,
manager of Jack Dempsey, announced
tonight he had accepted an offer of a
\$400,000 purse from James W. Coffroth
for a forty-five round fight between
Dempsey and Georges Carpentier at
Tijuana, lower California.

"It's up to Coffroth now to sign up
Carpentier," said Kearns, "and I under-
stand he has a representative, Charles
Harvey, in Europe now trying to do just
that."

"This is the most satisfactory offer we
have had. We are willing to accept it
on a winner or loser basis, perhaps, \$300,-
000 for the winner and \$100,000 for the
loser."

"Coffroth may not want the motion
picture rights, but whether he does or
not, we will want a percentage of them
and all other privileges."

Kearns' announcement was made after
he was offered Cochran's \$200,000 bid
for a fight between Dempsey and Car-
pentier. Coffroth, president of the
Lower California Jockey Club.

Cochran's Statement.

Chicago, Jan. 5.—Charles Cochran, an
English theatrical magnate who pro-
poses to promote in London a world's
championship fight between Jack Dem-
psey and Georges Carpentier, is pushing
his plans. He was here on other busi-
ness yesterday and said he had sent a
personal representative to Los Angeles
to confer with Dempsey's manager.
Cochran has offered Dempsey a guar-
antee of \$200,000, and says he will guar-
antee the champion ten weeks of the-
atrical engagements in England and
France at \$5,000 a week.

He also said that he not only has the
French champion's signature to a con-
tract calling for \$105,000 but has ad-
vanced \$25,000 to Carpentier.
"London is the logical place for the
battle," said Mr. Cochran. "It is neutral
ground. We have there all the facilities
necessary for staging a world's cham-
pionship and can be assured that our in-
vestment will be secure." Cochran will
return to New York today.

Los Angeles, Cal., Jan. 4.—Comment-
ing on the Cochran offer, Kearns said:
"I will not consider anything less than
\$250,000, and his offer of \$5,000 a week
does not interest me. Dempsey got \$15,-
000 a week in this theatrical engage-
ments right here in America. If those
European promoters want to get Dem-
psey for anything, they'll have to pay
double."

New York, Jan. 5.—In a conference at
the Hotel Biltmore, Paddy Mullens, man-
ager of the middleweight champion,
Mike O'Dowd, signed an agreement with
the Turner-Harris syndicate, composed
of eminent theatrical folk, to let O'Dowd
meet Georges Carpentier. A purse of
\$200,000 is hung up by this syndicate,
sixty per cent. to the victor and forty
to the loser. This offer has been cabled
to the Frenchman.

DR. W. A. MOLSON OF MONTREAL IS DEAD.

der Molson, one of the oldest practition-
ers here, died yesterday. Dr. Molson was
born here in 1852 and graduated from
McGill in 1874. He was a classmate of
the late Sir William Osler.
