Over a million of these books have been thus sent to applicants all over the world since my first free offer appeared. Publishers are charging as much as \$2 for books on six subjects, while my book is free. Therefore, reader, if you would like a great fund of inside information relating directly to the subject of manly vigor, all put in perfectly plain, easy-to-read language, with many hints that you can surely apply to your own self, no matter how strong you may be, or how nervous or run-down you may be if you want to know the facts about this particular subject, given to you without a single scare, then fill in the coupon below, send to me and receive my book, sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN witaliser, something you wear at night as an aid to the restoration of lost or waning strength; but you are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay, either now or in the future. Therefore, please send your names and address today.

SANDEN, Author.

MANHOOD! The quality which rules the world today. My friend, there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your years, whether you are 20 or 60, you must be efther entirely in the race or entirely out of it. It is invariably the fellow who proves up strongest in this human strength that forges to the reduction of his community, simply because he radiates that marvellous magnetic in the fellow who proves up strongest in this human strength that forges to the reduction of the free book is independent of this human strength that forges to the reduction of the free book is independent of this human strength that forges to the reduction of the free book is independent of this human strength that
