The Marathons defeated at Fredrickton yesterday by the score of 6 to 3. Winter was in the box and was found for eleven safe hits. Brown was in the box for Fredrickton and allowed but six hits. The Greeks had four errors while the winners played errorless ball. The Marathons did not get a man across the plate until the sixth inning, when they scored their three runs. The winners scored five runs in the second inning. The following is the summary of the game:

Young Roles Won From Cubs.  
On the Orange street diamond last evening the Young Roles defeated the Cubs in a fast game of baseball by the score of 2 to 0. The game went five innings. The batteries were: For the winners, Thompson and Killen; for the losers, Bowers and Lawson. Edward Morrissey as umpire gave satisfaction to both teams.

New One for Houlton.  
Lorne Mahoney, of the Halifax Standard, has been signed by the Houlton club. Berran, of the Socials, who played this season for a time with the Marathons, has been signed by the Chicago White Sox.

Baseball Notes.  
The fans will see a big difference in the Socials line up when they play their next league game. Murphy, the popular left-hand first baseman, will be released; his covering of first base has always been of high-class order, and he is popular both with the fans and also with his team mates; it is only on account of his poor batting of late that he is being released. It is also stated the new battery, Jones and Burke, will be released. The Socials will be strengthened for Wednesday's game with the Standard by addition of new men for left, short, and also a catcher. The shake up is partly due to the lack of interest taken by some of the players in team work and practice—Halifax Reporter.

The plumbers and the masons will play a game of baseball on the Marathons grounds this evening beginning at 6:30 o'clock.

## NEW YORK G'ANTS IN TORONTO

Crowd at the Island Stadium, Toronto, at the exhibition game between the New York Giants, of the National League, and the Toronto Maple Leafs, of the International League. After hot game for ten innings the Giants had to run for their train, leaving the score two to two. Dick Rudolph, the Leafs pitcher, and Bill O'Hara, the Leafs' outfielder, were the stars of the game.

Cape Breton League.  
The game at Dominion yesterday between Dominion and Waterford was up to the ninth inning, one of the best seen yet in the county league. There was no scoring in the first three innings. Waterford got one run in the fourth when Copeland hit a two-bagger, stole third, and came home on Nelson's wild throw. Two more were added in the sixth and one in the ninth.

Barry held Dominion without a hit, open for the first five innings when hit by Siney and Nelson brought in two runs. The score was tied in the eighth, Nelson doubling and scoring on Donnelly's hit. Waterford had a lead of one when Dominion came to bat in the ninth. Knight Brady both hit Hines, a Dorchester pitcher, who worked for Dominion, came up. Barry put the third strike over on him, but Cannon dropped it. Hines started for first, stopped and started again. The umpire evidently did not notice him stopping, for he did not call him out and Hines dashed for the base. Cannon threw to first, Knight coming home. With a throw, as he caught it Hines ran into him, the ball dropped and Hines went to first, Knight coming home. The Waterford men claimed that Hines should have been called out for interfering, as the umpire gave the right of way when Hines took the throw. Umpire McArthur could not see it in that way, however, and called Hines safe.

A vigorous protest was made but the umpire stood firm, and Manager Wilson called his men off the field. The umpire gave the game to Dominion. Without attempting to go into the rules governing plays of this kind, it may be said that the general opinion among the interested outsiders seems to be that Hines should have been out. He might have been called out earlier, as he started to run to first after the catcher had dropped the ball, stopped and started again. With a man on third, the obviously correct thing to do was for Cannon to get the runner at first, the first baseman returning the ball to get the man from third. This play would have retired the side, as there was one man out. Cannon attempted it, but the collision between the runner and the pitcher spoiled the play, and the former was called safe on first. With the man on third came home. The Dominion players claim Malvey was blocking the base line, and the runner could not have been called out for interfering.

Whichever side is right, the umpire, there can be no doubt, gave his decision on the play exactly as he saw it. The Dominion players naturally thought he was right, and the Waterford men just as naturally maintained he was wrong. The reporter does not intend to put forward his own opinion on the matter, but is simply giving that of the majority of those with whom he discussed it. Waterford protest will likely be before the League executive. The game was played under protest, Waterford objecting to Hines, the Dorchester pitcher.

The score up to the end of the eighth inning, was as follows:

GERMAN LOVER

STEALS BRIDE AT POINT OF GUN

Berlin, July 30.—An elopement under remarkable circumstances is reported from Innsbruck, in the Austrian Tyrol. A German family was making a carriage tour round Lake Toplitz, when a young man suddenly appeared on the highway, and, pointing a revolver at the father and mother, demanded that they should hand over to him their daughter, nineteen years of age, who was with them.

The terrified parents complied, whereupon the young man fled with the girl in a motorcar. The father immediately notified the police, who are of opinion that the kidnapping was prearranged between the girl and the "highwayman," who is described as a Charlestown merchant.
