

Students of this University who do not reside in the city, on application to the Registrar, will be furnished with certificates, which, through the kindness of the Railway authorities, will entitle them to return tickets from Montreal at greatly reduced rates.

---

#### RULES.

At the commencement of every session each student must enroll his name and residence in the register of the Medical Faculty, and obtain from the Registrar a ticket of enregistration. The Matriculation books of the Registrar shall be closed on the first day of December in each year.

Written or oral examinations will be held by each Professor once a week upon the subjects treated of in his preceding lectures, and every such examination shall be considered a lecture. Each Professor shall, at intervals, call a roll of the names of the students attending his class. Tickets which have not a certificate of regular attendance shall be rejected when presented as testimonials, previous to examination, unless the omission be satisfactorily accounted for.

Every candidate for graduation in Medicine and Surgery must give sufficient evidence, by certificates—

1. That he has attended two six months' courses of lectures on each of the following departments of Medical science :—General or Descriptive Anatomy, Principles and Practice of Surgery, Theory and Practice of Medicine, Obstetrics, Chemistry, Physiology, *Materia Medica*.

2. That he has attended one six months' course of Pathology and Medical Jurisprudence, two three months' courses of Gynecology, Diseases of Children, one three months' course each of Botany, of Hygiene and of Practical Chemistry, and also a course of not less than twenty-five demonstrations upon Microscopic Anatomy, Physiology and Pathology.

3. That he has attended not less than two six months' courses of Clinical Medicine and Clinical Surgery.

4. That he has attended two six months' courses of Practical Anatomy.

5. That he has attended for at least eighteen months, or three periods of six months each, the Medical and Surgical practice of a Hospital in which are contained not less than fifty beds under the charge of not less than two physicians or surgeons, and that he has been engaged for at least six months in compounding medicines at a Hospital, a Dispensary, or with a duly licensed practitioner.

6. That he has attended at least six cases of Midwifery, either in a lying-in-hospital, or in a private practice, under the supervision of a regular medical practitioner.

Every candidate for the degree must, on or before the first day of March, deliver to the Dean of the Medical Faculty a declaration, in his own handwriting, that he has completed his twenty-first year of age (or that he will have done so before the day of graduation.).

A statement of his studies, accompanied with proper certificates, and the graduation and registration fee.
