Majorities falling, it may almost be said, rangement of its working machinery.

The result we must give in brief as the of Parliament to determine the quality of the Times" article is too lengthy for our space. side with a multitude of other arrangements, ly, and yet Capt. Coles's machine which cannot be touched, in the midst of social all this pounding without injury. institutions as venerable as the Constitution itself—indeed, part of it, and its most inde-structible part—and between classes that will still be classes. The things to be changed and the things not to be changed are so mixed that neither the strongest wrench nor the most change we want to make by statute and the parties of the statute itself a barrier against the intural of Her Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Majosty's reign for the refer of Insolation of Canada and Ways of the Refer of Insolation of Canada and Ways of the Majosty and Canada and that, being old, are ever young. We have a day.

Yast and varied system of self-government in counties, towns, and parishes. We have magistrates and public officers of all kinds, of an istrates and public officers of all kinds, of an icient origin and local selection and appointment. We have our sessions, municipal counties, towns, and local selection and appointment. We have our sessions, municipal counties, towns, and local selection and appointment. We have our sessions, municipal counties, towns, and local selection and appointment. We have our sessions, municipal counties, towns, and local selection and appointment. We have our sessions, municipal counties, towns, and local selection and appointment of the vertical sessions and varied system of self-government in the vertical day.

An official despatch dated Brescia, evening of the 25th, says; to day in an engagement between the Italian Volunteers and the Austrians, between the bridge of Coffaro and by Wetmore Wilmot, Chandler, Dow, Connell, Tilley, Williston, and opposed by Smith, Johnson, Kerr, Lewis and others, and agreed the 25th, says; to day in an engagement between the Italian Volunteers and the Austrians, between the Italian Volunteers and the Austrians and Italia cils, vestries, juries, and inquests for various purposes. We have classes distinct and peculiar, and the most numerous and important Act. It repeals the 42nd Section of the preall sides as utterly incapable of fusion with the rest, and, by the consent of all, is to be left out of the pale of the proposed Constitution. Yet there are other classes whose peculiarities, far less respectable, all wink at, and who core regarded more a freedom than 28 more regarded more as freedom than 28 more regarded to the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer for City of St. John East Side, whose duty it shall be to enroll the regimental Enrolling Officer really and socially free. There are practices admitted to be ineradicable and part of the English nature, yet utterly foreign to any pure mar School to sell certain lands for the use of a great change but little, and cannot change even as much as we wish. This is the pro

blem.before us.

Are we to widen this gap till we have two
Englands, with different political units, different contrary
and continually diverging; or are we to take and continually diverging; or are we to take every opportunity of simplifying, uniting, and thereby strengthening? The Reform Bill, as it now stands, proposes cut the chief tie between our two concurrent yet diverse systems of public and local government. It is the Rate that eyerywhere marks the man of the village, town, or the county. When we come to considerable populations the Rate becomes the great test of permanence, stability, and inthe great test of permanence, stability, and in-dependence. A large part of our population publishing decisions of Supreme Court; also publishing decisions of Supreme Court; also is ever on the move, lives by social laws of its own, flies the restraints of opinion and even law, and buries itself in its own crowd. On the other hand, we have, also, a large class that strikes root where it is, grows, forms local connexions, and gathers local associations. It is the latter that is the most genuine offspring of old England, and the soundest basis for proof old England, and the soundest basis for pro gressive improvement.

upon the fact that no such trial had ever yet been made in this country. It might, indeed, have been said that in no country had any such experience been obtained, for Captain Coles had uniformly asserted that his turrets
