Representative and Champion of American
Art Tails.
PROSPERITY FOR 1875—EIGHTH YEAR.

THE ALDINE,
THE ART JOURNAL OF AMERICA,
ISSUED MONTHLY.
MAGNIFICENT CONCEPTION. WONDER-
FULLY CARRIED OUT.

The necessity of a popular medium for the
representation of the productions of our great
artists has always been recognized, and many
attempts have been made to meet the want.
The success of the various attempts has been
invariably short-lived, and the public has
been disappointed. It is not until the publica-
tion of the ALDINE, that the public has been
furnished with a journal, which so invariably
displays the productions of our great artists,
and so fully represents the art of the day.
The ALDINE, while issued with all the regu-
larity, has none of the temporary or timor-
ary character of ordinary periodicals.
It is an elegant miscellany of pure, gilt, and
graciously illustrated art, and a collection of
the rarest specimens of artistic skill, in black
and white. Although each succeeding num-
ber will give a fresh pleasure to its friends,
the real value and beauty of the ALDINE will
be most appreciated after it is bound up at the
end of the year. While other publications
may claim superiority in elegance, as compared
with those of a similar class, the ALDINE is
superior in every respect—its design and un-
approached—its utility without competition in
price or character. The possessor of a com-
plete volume can not duplicate the quantity of
fine paper and engravings in any other shape
or number of volumes, for the time being; and
then, there is the chrome, besides!

The national feature of THE ALDINE has
been taken in a narrow sense. This artistic
compendium, while THE ALDINE is a strictly
American institution, it does not confine itself
entirely to the reproduction of native art. It
is anxious to cultivate a broad and appreciative
art taste, one that will discriminate and appreciate
on ground of artistic merit. Thus, while play-
ing safe, the patrons of THE ALDINE are
leading characteristic, the productions of the
most noted American artists, a selection which
will be given to specimens from foreign
countries.

The artistic illustration of American sen-
sory, or equal with the ALDINE, is an imper-
ant feature, and its magnificent plates are of
a size more appropriate to the satisfactory
reproduction of details than can be afforded by
any other page. The judicious interper-
son of landscape, marine, figure, and animal
subjects, sustain an unaltered interest, impos-
sible where the scope of the work confines the
artist too closely to a single style of subject
matter. The ALDINE is a light and
graciously illustrated, worthy of the artistic
features, with only such technical disquisitions
as do not interfere with the popular interest of
the work.

PREMIUM FOR 1875
Every subscriber for 1875 will receive a
beautiful portrait, in all colors, of the same
to the dog whose picture in a former issue attract-
ed so much attention.
"MAN'S UNSELFISH FRIEND"
will be welcome in every home. Everybody
loves such a dog, and the portrait is executed
so true to the life, that it seems the veritable
presence of the animal itself.
Besides the chrome, every advance subscri-
ber to THE ALDINE for 1875 is constituted a
member, and entitled to all the privileges of
the ALDINE ART UNION.

The Union owns the originals of all THE
ALDINE engravings, which, with other point-
ings and engravings, are to be distributed a-
mong the members. To every series of 5000
subscribers, 100 different pieces, valued at over
\$2,500 are distributed as soon as the series is
full, and the awards of each series are made
to be published in the next succeeding issue
of THE ALDINE. This feature only applies
to subscribers who pay for one year in ad-
vance. Full particulars in circular sent on
application enclosing a stamp.

Dr. J. Walker's California Vinegar
Bitters are a purely Vegetable preparation,
made chiefly from the native herbs found
on the lower ranges of the Sierra Nevada
mountains of California, the medicinal prop-
erties of which are extracted therefrom
without the use of Alcohol. The question
is almost daily asked, "What is the cause
of the unparalleled success of Viroxan Bitters?"
Our answer is, that they remove
the cause of disease, and the patient recovers
his health. They are the great blood
purifier and a life-giving principle, a perfect
Renovator and Invigorator of the system.
Never before in the history of the world has
a medicine been compounded possessing
the remarkable qualities of Viroxan Bitters
in healing the sick of every disease man is
heir to. They are a gentle Purgative as
well as a Tonic, relieving Congestion or In-
flammation of the Liver and Visceral Organs,
in Bilious Disorders.

If men will enjoy good health, let
them use Viroxan Bitters as a medicine,
and avoid the use of alcoholic stimulants
in every form.
H. H. McDONALD & CO.,
Druggists and General Agents, San Francisco, California,
and New York, Washington and Charleston, S. C., New York.
Sold by all Druggists and Dealers.
No Person can take Viroxan Bitters
according to directions, and remain long
unwell, provided their bones are not de-
stroyed by mineral poison or other means,
and vital organs wasted beyond repair.

Grateful Thousands proclaim Viroxan
Bitters the most wonderful Invigorant that
ever sustained the sinking system.
Bilious, Remittent, and Intermit-
tent Fevers, which are so prevalent in the
valleys of our great rivers throughout the
United States, especially those of the Mis-
sissippi, Ohio, Missouri, Illinois, Tennessee,
Cumberland, Arkansas, Red, Colorado, Brazos,
Rio Grande, Pearl, Alabama, Mobile,
Savannah, Roanoke, James, and many others,
with their vast tributaries, throughout our
entire country during the Summer and Au-
tumn, and remarkably so during seasons of
unusual heat and dryness, are invariably
accompanied by extensive derangements of
the stomach and liver, and other abdominal
organs. In their treatment, a purgative,
ensuring a powerful influence upon these
various organs, is essentially necessary.
There is no cathartic for the purpose equal
to Dr. J. Walker's Viroxan Bitters, as
they will speedily remove the dark-colored
bilious matter with which the bowels are
loaded, at the same time stimulating the
secretions of the liver, and generally restor-
ing the healthy functions of the digestive
organ.

Dyspepsia or Indigestion, Headache,
Pain in the Shoulders, Coughs, Tightness
of the Chest, Dizziness, Sour Eructations of
the Stomach, Bad Taste in the Mouth, Bil-
ious Attacks, Oppression of the Heart, Inflam-
mation of the Lungs, Pain in the region of
the Kidneys, and a hundred other painful
syndromes, are the offspring of Dyspepsia.
No bottle will prove a better guarantee of
its merits than a lengthy advertisement.
Scratch, or King's Evil, Itch, Scalds,
Ulcers, Erysipelas, Scalded Neck,
Goitre, Scrophulous Inflammations, Inolent
Inflammations, Mercurial Affections, Old
Sores, Eruptions of the Skin, Sore Throat,
etc., etc. In these, as in all other constitu-
tional Diseases, WALKER'S VIROXAN BITTERS
have shown their great curative powers in
the most obstinate and intractable cases.

For Inflammatory and Chronic
Rheumatism, Gout, Bilious, Remittent
and Intermittent Fevers, Diseases of the
Blood, Liver, Kidneys, and Bladder, these
Bitters have no equal. Such Diseases are
caused by Vitiated Blood.
Mechanical Diseases.—Persons en-
gaged in Paints and Minerals, such as
Painters, Typographers, Gold-beaters, and
Miners, as they advance in life, are subject
to paralysis of the Bowels. To guard
against this, take a dose of WALKER'S VIRO-
XAN BITTERS occasionally.
For Skin Diseases, Eruptions, Tetter,
Salt Rheum, Boils, Spots, Pimples, Pus-
tules, Bites, Carbuncles, Ringworms, Scald
Head, Sore Eyes, Erysipelas, Itch, Scalds,
Discolorations of the Skin, Humors and
Diseases of the Skin of whatever name or
nature, are liberally cured, and carried out
of the system in a short time by the use of
these Bitters.

Pin, Tape, and other Worms, lurk-
ing in the system of so many thousands, are
effectually destroyed and removed. No ap-
plication of medicine, no vermifuges, no aphro-
disiacs, will free the system from worms
like these Bitters.
For Female Complaints, in young or
old, married or single, as the cause of wom-
ankind of the time of life, these Tonic Bis-
ters supply so decided an improvement that
improvement is soon perceptible.
Jaundice.—In all cases of Jaundice, read
assured that your liver is not doing its work.
The only sensible treatment to promote
the secretion of the bile and favor its re-
moval. For this purpose use Viroxan Bis-
ters.
Cleanse the Vitiated Blood when-
ever you find its impurities bursting through
the skin in pimples, eruptions, or Sores;
cleanse it when you find it obstructed and
sluggish in the veins; cleanse it when it is
sour; your feelings will tell you when. Keep
the blood pure, and the health of the system
will follow.
