APPENDIX.

ELOCUTION.

Advanced Classes in Elocution will be opened in the Faculty of Arts in the Session of 1892-3.

ONTARIO MATRICULATION EXAMINATIONS.

Doubts having been expressed as to the meaning of the clause referring to these, on page 19, paragraph 3, it may be explained that the examinations there referred to are accepted for matriculation in Arts when the subjects taken are the same as or equivalent to those required in McGill.

FREE TUTIONS IN ARTS.

Changes in regard to these are under consideration, and it is hoped that some definite announcement may be made in relation to them by advertisement before the beginning of the Session of 1892-3. A lady of Montreal has kindly presented the sum of \$120 toward this object.

Mr. Leigh R. Grigor, B.A., late Modern Languages Master in the Montreal High School, and at present pursuing advanced studies in Germany, has been appointed Lecturer in German Language and Literature.

Mr. Charles H. Gould, B.A., has been appointed University Librarian in connection with the new Peter Redpath Library, and on the endowment of the same liberally provided by Mr. Redpath.
