Your Winter Coat

The latest word in coat-dom has been well spoken here in the form of our magnificent displays, large variety, and handsome styles, in cosy, warm fabrics that challenge winter's cold days. We know there are other stocks of Women's Winter Coats, but we are within our rights when we state that ours stand second to none, while our greater values and lower prices stand unchallenged.

A coat bought at this store assures you of quality and the very latest style.
