sympathy with the Inspector, but could not Coun. Watt said, on behalf of the Town let/toat interfere with the performance of Council, that it would do what was right in his duty. He would agree to suppor the matter. The assessors said it would be Inspector Menzies in the discharge of his impossible just now to figure out the reladuie- just as they had supported Inspector Bown. If any bogus prosecution were How to Avoid Deseption and Loss. instituted against him to intim date him or punish him for what he had done officially, he Ou motion of Coun. Kerr, Chatham was (Coun. M.) would vote to pay the costs of his defence. But it had not been shown diges that are so poor and weak that it r that this was a case of that character. Hill quires fully three packages to give the county offi ers for Glenelg were appointed. was a constable in the employ of the depth of color that is Coun. Chiasson presented a by-law against Inspector, and claimed an amount due for single package of the Diamond Dyes. exposing stallions for service to public view.

Referred to By-law Committee.

The difference between them was that Hill claimed he had not received cents, are sold to consumers at ten cents what Menzies said he had given him. It | per peckage, some price as the full strength Coun. J. Sullivan-Are the commissioners was a difference between two men who Diamoud Dyes. of roads empowered to appoint surveyors, could not agree in the settlement of an Auy wom in who is urged by a dealer to account. They went into court, Hillgot a buy these alustrated and weak dyes verdict, and it was not denied by Menzies should refuse at once to be swindled. Secretary-Pressurer - 10s.

Coun. Cunningham—If a man has paid that he had received money on the items Such dyes are only a source of profit to the all his lawful debte for the year can he be of account that were adjudged to be due to merchant who happens to sell them; they Hil. The question was whether he had are ce tainly snares and deceptions to the paid it to Hill or not. The case was appealed and an arrangement was finally fraud can be avoided by asking for the Diamade by which each was to pay his own mond Dyes. Examine each package, and costs and let the case drop. This did not be sure you see the name "Diamond." from ex-Coun. Gaudet, Rogersville, saying prove that Hill's claim was bogus or trump- Working with the "Diamond," you are ed up as alleged. Now how could the sure of good, fast, brilliant and lasting Council pay the costs of a suit over a pol-Secretary-Treasurer--He had no right to vate account between the Inspector and shown that Hill had claimed fees to which

> it was evident that at least a large part of ments-payments which Menzies alleged he YOUNG AND OLD. had made without get ing receipts for them. It was not for the Council to sit in judgment between two men. The jury had decided that Hill had not received the money Meuzies claimed to have pud him. money Menzies claimed to have pud him.
>
> This subject was debated at considerable HICKEY'S PHARMACY length, the majority of the speakers taking the view outlined by Coun. Morrison and it He has the Finest Display appearing quite clear that whether Menzies or Hill were right (and a jury had decided that Hill was right) the money had been voted by the Council to Menzies and it seemed to be straining the Scott Act senti ment of the Council to a breaking tension

he was not envitled, the Council would

put it mildly-unbusines-like methods. Seeing that the Council would not be heard, and he made a speech which only the desperate character of his claim could excuse Inspector Menzies' report was read. It him for. He said the runsellers had tried shows 83 prosecutions, in wa ch 53 convict to buy and then to kill him, the machinery tions were obtained, 43 for tirst offence, 7 of the law was agon t him, the grand jury for second, and 3 for third.

had prictically foreswire themselves, the Coun. Cunningham asked if all the expenses were included. What about the Menzies wanted to throw a little politics into wet of keeping the Scott Act offenders to it) had always been against him and in favor jail? This should appear in the South Act of law-breakers; he felt he had "no chance accounts. The jail account would not be for ju tice before a Northumberland Jury, so heavy if it were not for these charges. or in the County Court," the Councillors Coun. Sullivan asked if Fracker had not were ready enough to vote themselves \$3 a
