BANGOR WINS AGAIN; GREEKS LEAD THE LEAGUE

BANGOR, 12; FREDERICTON, 10. Special to The Standard. Bangor took the second game from Fredericton today in a closely played match by a score of 12 to 10. The game was full of plays by both sides, making six boots apiece.

The visitors put two across in the first on a single and a base on balls coupled with two errors and Keane's being hit. Bangor got to "Lefty" Ahearn in the first for two singles and a home run by Matthews sending in three runs. Both sides made one in the second.

It was one, two, three, in the third. The home team got to Ahearn in the fourth. Brooks singled and went to second when Ahearn fell down on a sacrifice by Carney. Reed was safe on another error. A single by Connaughton sent Brooks home. Boardman laid a pretty sacrifice and three men moved up. Then came Matthews. With two strikes on him he hit his second home run, clearing the bases. Fredericton could do nothing with Carney until the sixth. Four singles, coupled with two boots sent in four runs. Bangor came across in the first of the sixth with three more. After Reed fled out, Connaughton led a bevy down the third base line, and came home when Boardman hit for three bases. Matthews singled, scoring Boardman but was out at third. Dutton singled and scored on a hit by Dolan.

Fredericton came near tying it up in the eighth. A base on balls and two base hit by Condon and an error by Boardman led in two runs. In the ninth after Wildes had an error, and Morey got a life on an error, but was out trying to steal. Ahearn singled and White ended the game by flying out to Reed. In the third inning Condon replaced Keane who hurt his ankle. It is likely that the injury will keep him out of the game the rest of the season. The box score and summary:

MARATHONS, 4; ST. CROIX, 2. There was a good crowd of spectators at the Marathon grounds yesterday afternoon when the Marathons won out from St. Croix by a score of four to two and went to the top of the league standing. Charles was the pitcher for the Marathons and was found for nine safe hits while only was the opposing pitcher and the Greeks got him for seven bingles. The St. Croix infield played a very loose game of ball and their errors were mostly responsible for the Marathons' runs. There was no scoring in the first inning. In the second inning St. Croix managed to get one man across the plate safely. Trevaunt hit to centre field for a base and then stole second. Jacobson fled out to catcher. Black fled out to centre field. Vance hit past second and Trevaunt scored. Spiller fled out to catcher. There was nothing doing in the run line although there was some fine hitting on both sides up till the sixth inning when the Marathons made two runs. Charles reached first on a bad throw of Lynch from third. MacPherson sacrificed and Charles went to third. Pinkerton drew a base on balls. Shankey hit to Lynch at third and Charles was put out at the plate. Two out. Pease hit a fly to deep centre and Black dropped the ball with the result that Pinkerton and Shankey scored. In the ninth inning Vance hit one that went through Waterhouse at short and the runner went to second on Spiller going out second to first. Only came across with a two base hit to right field and scored. Vance, Parker fled out to right field. Lynch was hit by pitched ball. Watt hit to McPherson at third who put only out and the game was over. Following is box score and summary:

THIS BURNS PERSON IS SOME PLAYER.

George Burns, the study left fielder of the New York Nationals, is one of the sensations of the season. Burns is really in his first year as a regular player, and his work with the champions stamps him a corker. His terrific hitting has won him a game for McCreary's crew this season, and it is expected that before the world's series rolls around Mr. Burns will have made an enviable record.

GRAND RAPIDS HORSE RACES YESTERDAY

Grand Rapids, Mich., July 29.—Although attended by no record-breaking performance today's Grand Circuit races produced excellent time, the ten heats run of average 2.09 1/5. Two of the events developed the keenest sort of contest. The 2.09 pace, proved easy for Billy M., highly fancied favorite, who won in straight heats. Neither Ariens with a strong Mundy C., after dropping the first heat, nor Princess Patch, the Murphy entry, had a chance for anything better than place money. The Grand Rapids Railway purse for 220 trotters, fell to Uncle Bill in straight heats, with Eulabelle pressing close at each finish. In the third heat it appeared to everyone in the stand that Eulabelle had nosed out the favorite, and the announcement of the judges that Uncle Bill was the winner provoked a storm of protest. The 2.04 trot was a great three-cornered race, the contenders being Mundy C., Dublin Lady and Binghamton, and developed another trotter, when Mundy C., after dropping the first heat to Dublin Lady, stepped the second in 2.09 1/2. Murphy managed to last Mundy C., in the two subsequent heats necessary to a decision, but Dublin Lady and Binghamton were close up and forced him to his limit to win. Wednesday's card comprised four races, with the Furniture Manufacturers' stake for 212 trotters as the feature. Announcement is made tonight of eight certain starters in this event. SHOT HIS SISTER IN MISTAKE FOR BURGLAR. Ellerton, Ga., July 29.—Believing he was firing upon a burglar Mack Guest emptied a revolver at his seventeen year old sister here early today. Mortally wounded, the girl staggered toward him exclaiming that a bolt of lightning had struck her. She died before medical aid could be summoned. It has not yet been clearly defined as to whether the Dominion or the provincial governments have jurisdiction over the Hudson Hope Ferry Company. A report will be submitted to the Minister of the Interior on the return of his officials.

NO ENTRIES FOR MOTOR RACE RECEIVED

As yet there have been no entries for the second speedboat race in the series of five to be run for the handsome sterling silver shield offered by Messrs. Norton Griffiths Company, the great English firm of contractors at work on the development of St. John harbor east. The race will be run in St. John harbor on August 8th at 4 p. m. The purpose of this race is to advertise St. John, and to fulfil this purpose it must be successful from a spectacular standpoint. Entry boats that are at all eligible should take part and help boost St. John by making an interesting race. The entries should all be in before the 4th—next Monday, and the boats measured 48 hours before the race. The race is open to the world for speed boats of 40 feet and under. The course will cover a distance of around the Partridge Island bell buoy to a buoy off Union street in St. John harbor east, thence back over the same course to North Market wharf, thence around the Beacon light, finishing off at North Market wharf. The race will be run under American Power Boat Club rules for rating and handicap, all boats to be measured and weighed in St. John. The winner of each year's race will be awarded a miniature of the big trophy. Dr. J. H. Barton of St. John holds last year's shield to the credit of his boat "Patricia". Notices are now going out to all power boat clubs in this part of Canada and along the New England coast, and it is hoped that some fast boats will be entered.

ALL-RHODE ISLAND TEAM WAS DEFEATED. Providence, R. I., July 29.—The world champion Australian cricket team today played an all-Rhode Island team of 22 men, twice their number, and won by a score of 190 to 66 in the first of a series of two games. The Rhode Islanders, captained by President Alexander Melkieleh, of Amherst College, were somewhat disappointing in the form they displayed, although it was the first time they had ever played together. Clarke and Wolcott, of Fall River, Mass., made the best showing against the champions. The second game will be played tomorrow.

THE INTERNATIONAL BOAT RACE. London, July 29.—The French Motorboat Club which, with the Motorboat Club of America, challenged for the international motorboat trophy, generally known as the Harmsworth cup, having given its consent, the Royal Motor Yacht Club today agreed to postpone the races for the international trophy one month as requested by the American club. The first race of the series was to have been held on August 11th, over a course laid out between Ryde and Cowes, in Osborne Bay, Isle of Wight.

Spending Crop. "We have a splendid crop of the best for many years," drew Kelly, the president of exchange, and president of the Canadian Flour Mills Company, who has just returned from a long trip in the Canadian West. He is full of optimism at present. To harvest so much wheat requires 25,000 men and 1,000,000 bushels of seed. A conference was held in the afternoon between representatives of the three provinces, and the railways for the purpose of definite arrangements with respect to the transportation of the harvesters' excursions from Canada and elsewhere. Burke, provincial immigration officer, is at present in the west, and his excursions sent out of the provinces from the west.
