## "WE RESCUED A FEW SURVIVORS"

Such, in substance, is the almost daily report following a disaster at sea. DAY AFTER DAY the daily press tells of vessels lost at sea; of the terrible toll of life taken in such disasters; of boats being smashed and the crews lost; of life rafts capsizing; of life belts and life preservers being either useless or unavailable in the hour of need.

IT HAS BEEN A CONTINUOUS TALE of loss of life at sea, ever since the navigation of the seas became practicable because the only known means of saving life in a sea disaster were too inadequate.

ALL THIS IS CHANGED and it is due to Canadian genius that the perils of sea travel have been reduced to a minimum. Here is the solution of the problem.

The words S. O. S. on each garment mean what the invention guarantees—Safety on Sea. The picture shows Mr. LePage, the inventor, and two others, one a girl 19 years old and the other a boy of 9, attired in S. O. S. Suits. It is a one-piece garment and covers every portion of the body but the face. In this suit

## \$10 THE SHARE

A Big Canadian Steamship Company is waiting for 1,000 Suits; other orders are coming in every day. The world is realizing that the S. O. S. one-piece life saving device is the embodiment of all things necessary to ensure safety at sea.

THE WHOLE WORLD IS THE MARKET for this device. The government of Great Britain and France have officially taken notice of it. Others will follow.

YOU are offered the opportunity of becoming a partner in the manufacture of this invention. You can get into the proposition right at the start. You cannot invest \$10 or \$100 or \$1,000 or more to better advantage. The world needs the S.O.S. device

## THIRTY MEN WANTED FOR SIEGE BATTERY

Men of Category A Not Yet Ordered for Duty May Enlist—New Regulations Issued so Draftees Must Get Consent to Join R. F. C.

The strength of No. 9 Siege Battery is at present up to 133, and there is still room for 30 more good men. These men must be over 18 years of age, five feet seven inches height and of good physical development. Men of category "A" who have not yet been ordered to report can enlist with the Battery.

Classes in elementary and advanced training are going on daily. The elementary training is the same as infantry up to the third week when special training for artillery commences. A school of signalling commences today.

Any man who wishes to enlist with No. 9 Siege can do so with Major Westmore, O. C., at Martello Hotel, West St. John.

## New Regulations.

New regulations recently issued by the Militia Department covering draftees under the M. S. A. deprive all young men of the free choice they have hitherto had between infantry service and the air service. At the R. F. C. Recruiting Headquarters a statement was handed out explaining that these rules now make it absolutely necessary for men who come within the provisions of the M. S. A. first to join their Depot Battalion. They may, if they are anxious to become aviators, make application to the commanding officer. With that officer's consent, they may re-enlist with the R. F. C.

This change in the regulations, naturally, presents some difficulties to men aspiring to flying officer's rank, though it is felt that any young man who possesses the essential qualifications demanded by the R. F. C. will readily be granted the chance to enroll. The effect of the new regulation will be that an accurate record of all draftees will be held by the Depot Battalion.

At present no indication can be given as to how this new procedure will affect the number of recruits applying for enrolment in the R. F. C. While the change makes it harder for a man to enter the service, it is presumed that the fascination and romance attaching to the flying man's work appeal so strongly to the Canadian spirit that most men will be keen enough to make the extra effort to join. This conclusion is based on the fact that even though enlistments in the R. F. C. are voluntary, the training school in Toronto is kept full to capacity.

## UNVEILING OF NEW HONOR ROLL LAST EVENING

Victoria Street Church Packed to the Doors—Interesting Address by Lieut. Lewis Gifford—Names of Sixty-Two Men on the Roll.

The attendance was so large at the Victoria street Baptist church last evening that many were turned away, unable to find accommodation even though the class rooms off the front of the auditorium were utilized. At the service which was a most impressive one, the new honor roll was unveiled. The honor roll which is encased in a neat oak frame, is a most artistic piece of work. At the top is a pretty design of a temple arch in several colors. Near the bottom are the words: "The Victoria Street Baptist Church, in gold letters, the Rev. of Gideon Swales, this memorial in honor of the men of the church who are fighting for king, country and righteousness." The roll contains the names of sixty-two of the members of the church and the congregation who are serving the Empire overseas.

On the platform beside the pastor Rev. I. W. Williamson, were Rev. Gideon Swales, Rev. George Parlee, the latter two being members of the church who have returned from the front, and Lieut. Lewis Gifford, one of the men of the original 25th Battalion.

The solo, "God Give Us Peace," was sweetly rendered by Miss B. Campbell, and a duet was given by Miss Campbell and Miss M. McDermott. Rev. Gideon Swales, in prayer. The pastor then asked Lieut. Gifford to unveil the honor roll which he did by turning back the blue flag which covered it. Lieut. Gifford told of the hardships and experiences which he went through while at the front. He spoke of the heroic work of the "Glorious 25th," in the taking of Corbette and of other battles in which they participated. He spoke in glowing terms of the loyalty and devotion of the French who are sacrificing to the last man to preserve their beloved country from the hands of the German invader. He gave a vivid description of the difficulties under which the men had to fight, and of the shell swept fields where the ground is churned into liquid mud. He said that the men of the Y. M. C. A. were doing a wonderful work in the religious and social life of the men. Speaking of the statement he had heard made, that the soldiers did not appreciate the parcels sent to them, he replied that this was not true, and that comforts at best being very scarce, the men were deeply grateful for anything received from home. He urged the people to continue to send all the letters and parcels they could.

A male quartette composed of Messrs. Holder, Burt, Kierstead and Williamson sang, "Thinking Tonight."

The pastor stated that although so many men had gone from the church, only three, he was glad to say, had so far been called to make the supreme sacrifice. He said that, while he deeply sympathized with those who mourn their loss, they had died a glorious death, and their lives had been sacrificed on the highest altar which has ever been raised in the world. These men were Gordon Kennedy, Roy Fowle and James Ferguson. After he had read their names the congregation rose to attention while the organist played the "Dead March in Saul."

Near the conclusion of the service the pastor read two poems by Robert Service, "The Fool," and "Carry On."

## FALLS 15 FEET FROM TRAPEZE

Hartland Boy Drops in School Gymnasium and is Picked Up Unconscious—Not Seriously Hurt.

Special to The Standard. Hartland, Feb. 24.—Master Kenneth Irving, son of Benjamin Irving, fell a distance of some 15 or 16 feet from a trapeze in the play-room of the school house on Tuesday afternoon and received a bad shaking up. He was rendered unconscious for some time but when he revived and been examined by the doctor it appeared that no serious injury had befallen him. However, it is not likely that he will venture to such a height again, for some time at least.

The third floor of the school house has recently been made into a crude gymnasium where the boys are getting much enjoyable exercise.

Another most worthy lady resident passed away early Sunday morning in Mrs. Eliza A. Stilwell, of No. 116 Charlotte street, mother of Bayard Stilwell of the Fred Doug Ltd., printing firm; Arthur F. N. Nobles of Woodstock, N. B., and Mrs. Weeks, wife of the well-known Baywater preacher and writer, Rev. Dr. W. W. Weeks, Springfield, Mass., are sisters of the deceased.

Mrs. Stilwell succumbed to an illness of over twenty years duration, a trouble which the most expert advice and surgical effort failed to cure. With it all the patient was resigned and uncomplaining.

In the Baptist church in former years Mrs. Stilwell was an energetic worker, being a member of the Brussels street congregation from her youth. A woman of sweet Christian character she will be most kindly remembered by a large circle of friends young and old. She was 68 years old.

He was a man of retiring disposition, and of strict integrity. Although his sufferings were severe he never murmured but bore them with Christian resignation. He knew in whom he had believed, and patiently waited the call to come up higher.

In religion he was a Baptist, and his politics a staunch Conservative.

He leaves a widow and six daughters to mourn a loving husband and father.

Mr. Cameron was twice married. The four daughters of his first marriage are Mrs. James S. Robertson, Brooklyn, N. Y.; Mrs. Wm. White and Mrs. John Drake, Carleton county, and Mrs. Elliott Vanwart, Tennant's Cove. The daughters of his second union are Mrs. Wm. Foster, St. John, and Mrs. Geo. C. McAdoo, Beulah.
