TEN THOUSAND LAKE BY CANAL SPEED SKATING

Ideal Weather, Fast Track, United States and Canadian Day of Unusual Worth the Lake Placid Flash—Hard Luck Baffled Skaters—Great Programme

1st Heat.
The first event of the day was a trial heat for the senior 250 yard race for the senior 250 yard race. The skaters were Hearns, New York, drew pole, or inner position, with McWhorter, of Chicago, in second place, other skaters who lined up with were Furman, New York; Percy and Moses Perry, Moncton, Ontario, St. John's was get each other.

The skaters got away in a burst but the race developed into a between Hearns, McWhorter and man, Hearns rising out a winner McWhorter a close second, 30.24 seconds.

2nd Heat.
Jewtraw, Lake Placid, drew the forward inner position, with P. Winnipeg, in second place. The skaters were Glester, Toronto; N. rug, St. John, and Boyd, Lake Placid. This heat proved the fastest of the day, Jewtraw winning and establishing a new Canadian record, seconds, Patrick taking second, Old record, 30.14.

3rd Heat.
The skaters who lined up for third heat were Pickering, Pate N. J. Murphy, New York; Wh. Montreal; Fred Gorman, St. John, and "Whitey" Gibson, Murphy Gibson beat the pistol and were once three fast. Wheeler took lead from the start, cutting in an outside position, and in a few burst of speed led the field by more than ten feet, Murphy in second, Time, 21 seconds.

4th Heat.
Charlie Gorman, St. John, drew inner position, lining up with B. den, Chicago; Thorne, Toronto; meta, Chicago, and Roy Moore, John. Gorman was get each beating the pistol. Notwithstanding this, Steinmetz gave Gorman, speedy local boy, a good race, although unable to give him, took second place, Gorman winning first, 21 seconds.

5th Heat.
Stevens, Toronto, drew the position, and Joe Moore, New second. Stevenson as this heat the quickest get-away of any of skaters in any of the 250 heats. other skaters in this heat were er, New York; Gordon Logan Fred. Diggs St. John. Diggs local colored skater, suffered a while the skaters bunched on get-away, which eliminated him the race. Stevenson's flying gave him a lead, which he was to maintain throughout, coming first, with Joe Moore a close second, Time, 20.46 seconds.

6th Heat.
Garnet, St. John, drew the with Donovan, St. Paul, in second place. Bialis, on the first sprinting into the leading position which he lost to Garnet. Garnet rounding of the turn was a fast of the day. Using the lagging as as both turns he established a admirable lead, while all the skaters were obliged to coast at the second turn. To the unlooked appeared that this would be the out of the trial heats. Garnet, however, easily in the last sprinted gamely on the home stretch and finished a good second, heat, though the most spectacular, not prove as fast as it seemed to onlookers, the time being announced as 25 seconds. Garnet received great ovation for his splendid performance.

Semi-Finals—7th Heat.
First, second and third to skaters.
Jewtraw drew the pole, with W. in second position the others in being Hearns, Patrick, Murphy and N. Jewtraw got away fast. Moore was in the lead, but lost it, Moore coming in second, Wheeler in third, Time, 30 seconds.

8th Heat.
Hearns drew a pole, Gorman second position, Gorman in third. The others were B. Gorman, St. John and Bialis. Gorman sprang over the line into the leading position, closely followed by Wheeler, with the others bunched behind. Gorman coming in first, by McWhorter and Hearns, Gorman taking fourth.

Finals—9th Heat.
Jewtraw again drew the pole, Gorman next to him, follow Wheeler, Joe Moore and Hearns before the start all the skaters hands with the wish that the man would win.
Gorman got pocketed at the end and was fouled by Wheeler the first turn. He gamely tried pick up his pace and made a considerable gain in a fine burst of but the handicap proved too however, and Jewtraw raced with a considerable lead, follow Moore, Wheeler and Hearns. Wheeler was disqualified for fouling and
