PRESBYTERIANS IN CHATHAM.

Discussion of the Augmentation Fund Scheme.

INSURANCE PLAN.

Widows' and Orphans' Fund Urged Upon Young Ministers—A Cornerstone Laid for the New St. John Church by Rev. Dr. McCurdy—Afternoon Outing.

CHATHAM, N. B., Oct. 4.—(Special)—Thursday morning's session of the Presbyterian Synod opened, as usual, with devotional exercises, led by Rev. Mr. Foster. The first business was the augmentation fund. The aim of this scheme is to assist weak and poor congregations and to bring the stipend of every minister up to the minimum amount of \$750. In this respect the Presbyterians are in advance of other churches. The report was presented by Rev. Edwin Smith and Rev. E. S. Bayne moved its adoption in the following resolution: "The synod receives the report and records its gratification, commends the fund to congregations and reminds the Presbyterians of their duty to the fund, and allocates \$10,000 to the various Presbyteries within the bounds of the synod. Rev. W. H. Spencer seconded this motion and reminded the presbyteries and pastors that they were responsible for the enlightening of congregations in reference to the aims and working of this scheme. It is to be regretted that 38 congregations failed to contribute to this fund. The congregation of Woodstock, of which Rev. Mr. Ireland is pastor, was referred to with praise as having become self-sustaining. The meeting closed with a full year's report on drawing on the reserve fund. The fund is in a very satisfactory state and the synod is gratified that the maritime church has always made such a liberal and intelligent response to its appeals on behalf of one of its most deserving schemes. "The widows' and orphans' fund was presented by Rev. Dr. Sedgwick, in a most encouraging report. He recommended this form of insurance to young ministers as admirably adapted to their peculiar circumstances and as offering better terms than the ordinary insurance companies. The moderator, Rev. Mr. Morton, spoke strongly in support of this scheme and said no student should be allowed to graduate until he had passed an examination on this subject. Rev. A. Rogers presented the report on the aged and infirm ministers' fund. The sum of \$4,200 was received during this year. There are now 28 annuitants, and the income is insufficient for the demand. Rev. Mr. Rogers recommended that the regulations allowing non-contributors to receive half of the regular amount be rescinded. Only 15 out of 39 ministers in the St. John presbytery belong to this fund. Rev. A. McLean Sinclair moved the rescission of this report. He said it was not an insurance or benevolent fund, but a church fund and ought to be supported by presbyteries and ministers. He had belonged to the fund for many years and was evidently anxious for its maintenance. Principal Pollock seconded the adoption of the report. He said that he was not connected with the fund, though being aged and infirm, but could see no reason why other ministers did not join it. It must be because of their worldly faith. At a meeting of the St. John Presbytery this morning, held in connection with the synod, the call from Pleasanton congregation to Rev. Lachlan A. MacLean was

THE BRITISH VOTERS ARE STRONGLY ENDORSING THE WAR.

London, Oct. 5-4 a. m.—The "khaki" boom has swept the country. Yesterday's pollings are a tale of increased ministerial and diminished Liberal majorities. The returns from the rural districts today (Friday) and tomorrow may do something to rehabilitate the Liberals; but the results thus far have fully justified Mr. Chamberlain and the party organizers who are backing the government in their choice of the moment to dissolve parliament. Few will doubt that an appeal to the country a month or two earlier would have produced an even more remarkable Unionist outburst. Nevertheless the ministerialists may already congratulate themselves on being returned with an increased majority. Yesterday the Conservatives gained 12 seats as against three gained by the Liberals. The workmen of the country have replied in a very decided vote in favor of the war and of the annexation of the republics. Mr. Andrew Trenchard Prouard, who was defeated in the Black Friars division, had sat for Glasgow in the Liberal interests since 1886; and the opposition division was Sir George Otto Trevelyan's old seat. Both had long been Liberal strongholds. The results in Liverpool and other industrial districts tell a similar story of increased Unionist majorities. Mr. Chamberlain, who was listening to the results over the telephone, sent the following message to the people of Birmingham: "This has been a good day's work for the empire." London itself felt the full tide of the Unionist victory. The Liberal representation from the metropolis will not amount to more than seven or eight out of 62 members. In all directions the anti-war candidates have been detected. Londoners were not slow last evening to testify to their delight. Wherever the results were displayed crowds collected to cheer and to demonstrate in favor of their favorites. The returns from many points will not be known until towards noon today. At

midnight returns received showed the total number of electors to be 37, with the relative strength of parties as follows: Ministerialists... 2,380 Liberals... 72 Nationalists... 45 The Conservatives have gained altogether 21 seats and the Liberals 14. In Bethnal Green, London, Mr. S. Ford Ridley, Conservative, has defeated by 348 votes Mr. Edward H. Pickershill, Liberal, who had represented the division since 1885. The winning candidate's receipts were 2,862 votes, as against 2,514 cast for his opponent. In the central division of Edinburgh, Dr. A. Conan Doyle, Conservative, was defeated by Mr. G. H. Brown, Liberal, who received 3,928 votes, as against 2,485 cast for Dr. Doyle. In Hagerston, London, Mr. W. R. Greener, Liberal, carried the election, receiving 3,214 votes, as against 2,327 cast for his Conservative opponent, Mr. John Lowles. At Stockport a Liberal and a Conservative were elected, the polling being as follows: Sir Jos. Leigh, Liberal, 5,568; Beresford V. Melville, Conservative, 5,377; E. Green, Liberal, 5,209; Dr. Hillier, Conservative, 5,198. South Edinburgh was carried as at the election of 1895 by the Liberal Unionists. Today Mr. Arthur Dewar, Liberal, was defeated by 111 votes. The poll was as follows: Sir A. H. Agner, Liberal Unionist, 5,769; Arthur Dewar, Liberal, 5,658. In the "double-barrelled" borough of Southampton the ministerialists captured one seat and held the other, the polling being as follows: Chamberlain, Conservative, 6,888; Sir J. S. B. Simeon, Liberal, 6,233; Sir Francis H. Evans, Liberal, 5,753; C. G. Hyde, Liberal, 4,632. In North Camberwell, London, Mr. J. T. ... Na-mara, Liberal, was elected. Mr. Herbert J. Gladstone, Liberal, carried West Leeds by a majority of 631, receiving 6,043 votes, as against 5,412 for his Conservative opponent, Col. T. W. Harding. At Newcastle-Under-Lyme, Sir A. F. Haslam, Liberal Unionist, defeated Mr. William Allen, Liberal, by a vote of 8,799 against 5,028.

Oppose German Campaign of Revenge. Pekin, Sept. 30, via Tien Tsin, Oct. 2, via Shanghai, Oct. 4.—The withdrawal of the United States force from Pekin will begin next Wednesday, October 3. The marines, Major William P. Biddle, commanding, will march to Tien Tsin, and the 14th infantry regiment will follow them closely. The American garrisons at Ho Si Wu and Pei Tang will also be withdrawn. Most of the allied generals are opposed to the campaign of revenge which it is supposed the Germans have in view. The Germans are planning a movement east of Lung Chow to capture the arsenal. To Pay the Debt Honors. Taku, Monday, Oct. 1.—The Dowager Empress has decreed the highest official of the empire to make all necessary arrangements for a most imposing funeral in honor of Baron Von Ketteler, late German minister in China. She has also ordered the erection of a suitable temple at the capital to his memory. The superintendent of trade at Tien Tsin has been ordered to meet the body on its arrival here and the highest officials at other ports will pay the greatest honor to the dead. An imperial edict degrades from all ranks and offices Prince Tuan, Lan Yi, Kang Yi, Tung Fuh Siang and others concerned in the Boxer movement. Will Receive Von Waldersee. Pekin, Saturday, Sept. 29.—The commanders of the international forces are arranging for a combined official reception of Field Marshal Count Von Waldersee. A detachment of mixed cavalry will escort him from Tung Chow to this city. The members of the diplomatic corps here are still of the opinion that only Prince Ching and his family can be recognized as peace negotiators. Tien Tsin Telegram. Tien Tsin, Tuesday, Oct. 2.—The Russian and Belgian ministers arrived here October 1. The German minister remains here. About 1,800 American troops are to stay in North China. The missionaries will probably petition Washington to increase this number. The public telegraph between Pekin and Taku has been completed. LABOR LAW INSPECTOR. Ten Out of Sixteen Complaints Were Disposed of. Ottawa, Oct. 4.—(Special)—Edward Williams, the dominion government labor law inspector, is in the city and will take up quarters in the labor building office. Since his appointment a short time ago, Mr. Williams has had 16 complaints brought to his attention. Ten of these were disposed of, while six are yet pending further consideration. The Lady Did Not Appear. New York, Oct. 4.—H. H. Stridiron, of Chicago, who was recently shot twice in the Hotel Vendome, by his friend, John Egan, of the same city, and who was arraigned in the Jefferson market police court yesterday on suspicion of having been implicated in the loss of diamonds worth \$1,000 belonging to Miss Evelyn Hayes, was arraigned again today. Miss Hayes did not appear to prosecute as had been foretold by Stridiron's counsel and she was discharged. Notes from Ottawa. Blair returned to the city today and Premier Laurier will arrive tonight or early tomorrow morning. Carleton county Liberals met here on the tenth. John McKellar will likely be chosen as their candidate.
