A NEW PLAN.

FINE CITY RESIDENCE GIVEN AWAY.

"TRUTH" NO. 14 BIBLE COMPETITION.

About two years ago the publisher of TRUTH resolved to make a great effort to extend the circulation and influence of his paper to the fullest possible extent, and hit on the expedient of offering a large number of splendid premiums for correct answers to Bible questions. As the effort met with fair encouragement he has ever since continued, from time to time, similar offers, carrying out every promise to the very letter, and promptly paying every prize offered. As his publication is a permanent institution, an old-established and widely circulated journal, and he has staked his all in its success, he is fully alive to the fact that the scheme must be carried out fairly and honorably without favor or partiality to any one.

This has been done in the past, and it will be done in the future. Within the last two years he has among other rewards, given out about \$3,000 in cash, 25 pianos, 25 organs, 500 gold watches, 500 tea sets, 500 silver watches, besides many other valuable articles too numerous to enumerate here.

No other publisher in America, if in the world, has ever paid out anything approaching this in the same manner, and few others have ever so extensively advertised.

The result is that full confidence has now been established in the honorableness of the scheme, and the reliability of the publisher. TRUTH now circulates in every Province in the Dominion of Canada and in nearly every State of the American Union, besides having a large circulation across the Atlantic.

Among former competitors are the leading citizens of the country—the most respected ministers, public officers, professional men, ladies of every station, and people of nearly all classes. Large lists of those successful in former competitions have appeared and are still appearing each week in TRUTH. Any of these names may be referred to in regard to what has been done.

A GOOD GUARANTEE.

Reader, you need not have any misgivings about this offer. Mr. Wilson has been in business for nine years as a publisher, and has honorably met every engagement and fulfilled all promises. Though money has been actually lost on this scheme, in order to carry it out squarely, yet he has not dissatisfied with the result, as TRUTH has been splendidly established and his own business reputation well built up. A good guarantee for the future now lies in the fact that he cannot now afford to do otherwise than honorably carry out his promises as to fail at all would forfeit the result of the efforts of nearly a whole business as life time.

The following Bible Questions are propounded:—
