You no longer need wear yourself out with the weakening heat of an intensely hot kitchen. You can cook in comfort.

Here is a stove that gives no outside heat. All its heat is concentrated at the burners. An intense blue flame (hotter than either white or red) is thrown upwards, but not around. Consequently all the heat is utilized in cooking and none in outside heating.

The New Perfection Oil Cook-Stove entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke. Why? Because

New Perfection WICK BAYER FLAME Oil Cook-stove

is the result of endless scientific experiments. It is scientifically and practically perfect. The operation of the wick is automatically controlled, so that no matter how much you try you cannot use too much. Only the right amount of wick can be used, so that you get the maximum heat and yet there is no smoke. The burner is simple and all parts of it can be reached. One wipe with a cloth cleans it—consequently there is no smell.

The whole secret lies in the perfection of the draught. Once this was solved the stove was perfect. You will find the New Perfection Oil Cook-Stove a wonderful comfort for year-round use, and especially in summer. It uses heat nowhere except in cooking—its heat operates upward to pan, pot or kettle, but **not beyond** or around. Useless for heating a room.

The New Perfection Oil Cook-Stove takes up little space. It has a Cabinet Top, with a shelf for keeping plates and food hot, and every other convenience a woman appreciates. It has small drop-shelves ready to relieve a busy woman's hands of the coffee pot or saucepan. Then there are the nickeled towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive and invites cleanliness.

Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

Cautionary Note.—Be sure you get this stove—see that the name-plate reads "New Perfection." Every dealer everywhere; if not at yours, write for descriptive circular to the nearest agency of the
