

	PAGE.		PAGE.
Oats, experiments with— <i>Continued.</i>		<i>Cecidomyia destructor</i>	158, 159
Early Blossom.....	25	Correspondence.....	156
Early Racehorse.....	6, 7, 25, 26	Diamond-back Moth.....	165
Egyptian.....	25, 26	parasites of.....	164
Flying Scotchman.....	14, 25, 26	remedies for.....	167
Georgia Early White.....	26	<i>Ellopiia somnaria</i>	175
Giant Swedish.....	25	<i>Ephestia Kühniella</i>	168
Hazlett's Seizure.....	26	Farmer's Institutes attended.....	155, 156
Holstein Prolific.....	26	Fungous diseases, treatment of.....	154
Hungarian White.....	26	<i>Fuscladium dentriticum</i>	156
Longtellow.....	26	Grasses, plots of.....	179
Poland White.....	25, 26	tested, notes on.....	278, 188
Potato English.....	26	Asiatic.....	186
Prize Cluster.....	6, 7, 11, 25, 26	European.....	188
Rennie's Prize White.....	25, 26	Foreign.....	184, 188
Rosedale.....	27	Native.....	179, 186, 187, 188
Siberian.....	27	Miscellaneous.....	186
Victoria Prize.....	14, 25, 27	<i>Halisdota sobrina</i>	175
Waterloo.....	27	Hessian Fly.....	158, 159
Welcome.....	27	<i>Ichnumon cestus</i>	177
White Russian.....	25, 27	<i>Limneria annulipes</i>	167
Peas, experiments with.....	33	<i>parva</i>	167
yield of varieties.....	33	Mediterranean Flour Moth.....	154, 168
Potatoes, experiments with.....	38	Meetings attended.....	155
list of varieties with yield.....	38, 39	<i>Meromyza Americana</i>	158, 159, 179
Rye, experiments with.....	33	Oats, red leaf or blight of.....	178
list of varieties with yield.....	33	<i>Oscinis variabilis</i>	158, 159
Seed grain, distribution of.....	7, 50	Paris Green, use of for destroying insects	
Seed testing.....	39	in England.....	156
Shrubs, hardy in the North-West.....	44	Pea Weevil.....	171
Sowing, early, medium and late, results of.....	6	remedies for.....	172
Sugar Beets, experiments with.....	36	<i>Phocogenes discus</i>	167
yield of varieties.....	36	<i>Phorbia ceparum</i>	165
Tree seeds.....	45	<i>Plutella cruciferarum</i>	165
distribution of.....	50	Strawberry Weevil.....	154, 173
Trees suitable for the North-West.....	44	<i>Therena ferrivaria</i>	175
Turnips, experiments with.....	33	Vancouver Island Oak-looper.....	175
yield of varieties of.....	34, 35	parasites of.....	177
Wheat, Spring, experiments with.....		remedies for.....	177
Anglo-Canadian.....	6, 7, 30, 31	Wheat-stem Maggot.....	158, 159, 179, 181, 183
Campbell's White Chaff.....	30, 31, 32	Experimental Farm, Agassiz, B.C., Report of	
Campbell's Triumph.....	30, 31	the Superintendent.....	293
