How Would You Like to Make a Little Extra Money?

The Work is Pleasant and Easy and the Salary Generous

A certain lady lived in Vancouver, B.C. She was not rich—not even well-to-do. The money she earned brought her bread and butter, but not the amusements and little luxuries she wanted and to which she felt she was entitled. In looking for something to “help out” she read one of our advertisements explaining subscription work in home towns. The dignity of the work impressed her, also the permanency of the plan. She is now our “part-time” representative, a regular member of our pay-roll, and supplements her present income by \$10.00 a week.

If your income is limited, and if you will devote spare time to looking after the subscription work of The Western Home Monthly among your friends and neighbors, you can earn all the spending money you need.

In your town we need a representative to look after new subscriptions and renewals to

The Western Home Monthly

We will pay you, for part of your leisure time, a liberal commission and salary. Renewals count the same for you as new subscriptions. In the three months remaining before Christmas arrives, you can earn all you need, and more, to put your plans into effect.

Last year hundreds earned nice little nest eggs through answering a similar advertisement of ours. Your reply to this advertisement will not obligate you in any way. Address **Agency Division**
