

Early June Holidays

MUSKOKA

Hotel and boarding house rates in Muskoka during June are lower than regular season rates. June in Muskoka seems greener and leafier than anywhere else. The water is soft. The air is soothing. There is a balmy healing feeling about the woods and lakes. Have you thought of a month of health-giving rest before the summer travelling and entertaining begins? The Canadian Northern Ontario railway is the shortest route and has the best trains to the Muskokas. Steamer meets train at Bala Park wharf for all points on the lakes. Holiday round trip tickets for the season.

BEAVERTON

Sometimes a new railway makes an old neighborhood over again. This happened with Beaverton, on Lake Simcoe, sixty miles from Toronto, when it was reached by the Canadian Northern Ontario Railway. Summer boarding on the lake shore; a sandy beach sloping 1,000 feet to a depth of six feet; splendid picnic grounds for one day excursions. Steamers and carriages. Rowboats and launches by the hour. If you don't know Beaverton it will only take a short time to run up from Toronto and see it.

LATER SUMMER TRIPS

The Laurentians via Canadian Northern Quebec from Montreal.
 Lake St. John and the Saguenay via Quebec and Lake St. John from Quebec.
 Ocean Shore of Nova Scotia via Halifax & South Western from Yarmouth to Halifax.
 Summering Coast of Cape Breton Island via Inverness Ry. from Pt. Tupper to Inverness.
 The Superior Divide Canoeing Waters. Prairie Lands, Lakes, Rivers and Wheatfields of Manitoba and Saskatchewan via Canadian Northern Railway.

that will net you from \$2000 to \$5000 or more a year. My course of instruction in Mercantile Collecting fits you to become independent for life. You can start without capital and carry on the business anywhere. The whole world is your field.

R. E. Manuel of Detroit writes, "I think your course is one of the best that could ever have been gotten up for a man with limited means to follow." A. L. Fuller of Portland, Oregon, says, "To say that I am pleased is putting it mildly." "Any man who follows your instructions can meet with success," says Jas. Ross, Reading, Pa.

CREDIT REPORTING can well be followed as a side line with the Mercantile Collection business, since the knowledge of other men's affairs that you necessarily gain in making collections, fits you for rendering the same valuable service as the well known houses of Dun and Bradstreet. **FREE BOOKLET** fully explaining my plan will be sent upon request.
