

What is happening to your home

Is your household having a spasm of "old-fashioned housecleaning" that is making everybody's life miserable, OR, are you having a *thorough* cleansing without disturbing anything or anybody, by using a

Duntley Pneumatic Cleaner

This is the one pneumatic cleaner that is recognized throughout America as *the best*; everyone from Thomas A. Edison to the Seattle Exposition committee has testified to this, as it holds all the important awards.

We will be glad to send you descriptive pamphlets with prices or give you a free demonstration.

The Robert **SIMPSON** Company Limited

HERE are a great number of people who will hesitate to pay one hundred dollars and over for a tailor-made suit, made to order, whereas, if they could get one at about half that price, they would not hesitate to order one, two or even three in a season.

We inaugurate this season a new feature in our Dress Goods Section by allowing you to pick out your own materials direct from stock, and we will make the suit for you in any of the styles shown in our booklet and at a particularly low figure, according to the price of the material. The same applies to the Coats and Skirts. For example, a cloth costing between \$1.75 and \$2.00 a yard, we will make to your measure a fashionable suit, silk or satin lined, in any of the models shown for \$40.00, guaranteed in every respect and only high grade materials used throughout.
