Harriers get clawed

The UNB Red Harriers suffered their first loss of the season at the paws of the "talon"-ted Orono Black Bears. The race took place in the UNB woodlot and consisted of 2 loops totalling 5.8 miles. The torrential rain that persisted all the week before made the course such that only the most ambitious of ducks would have ventured out. High-lighting

the course was a half mile long hill, ankle deep in mud on a trail which had been converted into a river of mud. Totsies were the name of the game as both teams started rather cautiously, neither team wanting to split up its members early, or lead into the fierce wind. However, after the first mile, spearations began to grow and 2 Orono runners

took the lead with Henry Flood doggedly hanging on. The winner of the race was Peter Bottomley, finishing in 27:33. Flood was the first UNB runner to cross the line, after losing contact with the 2 lead runners with a mile to go, but finishing only seconds behind. Immediately following Flood was Rick Hull of UNB and then old timer Wayne Stewart, past

coach of the Harriers, running as an individual. The biggest battles occurred among the middle runners as they saw-sawed and exchanged leads slashing through the mud. Rounding out the field were: Ross Gorman, who blew away a Bear on the finishing straight, in eighth place; Kevin Hooper, tenth; Brian Flood, 11; Tony Noble, 13; Scott Prosser, 14; and a new comer to our team Tim Boyle, hailing from Wales and running in his first race ever as a Harrier, finished 15. The final score was U.M.O. 21; UNB 36.

be running across the fields in Presque Isle, Maine and are looking to defend last years victory. We are looking forward to the return of 2 regulars, Greg Grandin, known as R2D2 or the Fortran kid is suspected of blowing a fuse and missed last weekends race. Also Phil Meagher "P.J." hit his foot on his head, and has not been able to run since, but if we know P.J., he'll be back, no brain, no pain. Thanks to the excellent work done in preparing the course, all runners returned safe and sound, with none getting lost, believe it if you may.

Tommorrow the Harriers will

Red Shirts axe Acadia

By JOHN O'BRIEN

The UNB Red Shirts hosted Acadia Axemen in AUSA soccer action last Saturday and came away from the home opener with a 4-2 victory.

The Red Shirts were provided with a 3-0 half time lead by striker Ray Wynn who made the most of his numerous scoring opportunities. UNB came out in the second half and con-

tinued to dominate the play, keeping Acadia's defense busy. Red shirt goal number four came from Ed Thompson who hammered a long drive into the Acadia net after a Mike Foley corner. In the latter stages of the game, Acadia took full advantage of a couple of UNB miscues and scored two goals on break-aways.

Mention should be made of

the Ed Thompson - Ray Wynn Fan Club and the numerous residents of MacKenzie House who turned out to support the Red Shirts.

Next Red Shirt action will be tomorrow and Sunday when the powerful Memorial Beathucks from Newfoundland come to College Field. Games both days will be played at 2 p.m.

Saturday, Oct. 3

9:30 - 11:30 a.m.

Uniform Tops and Shorts, Sweaters, Sweat Suits, plus much more

Athletes of the week

Following the weekend's action in intercollegiate play, Raymond Winn and Beth McSorley have been named UNB's male and female athletes-of-the-week respectively.

Winn, a Master's student in Economics, received the honor for leading the Red Shirts to a 4-2 soccer win over Acadia on Saturday. The 21 year old native of London, England, piled up three goals in the first

half allowing the team to coast to victory.

McSorley earned her distinction with the field hockey Red Sticks. In a 12-0 rout over St. Francis Xavier on Saturday, McSorley controlled play while notching three goals. In Sunday's 1-0 loss to Dalhousie, she was again singled out by Coach Joyce Siipp as a dominant Red Stick. McSorley, 22, is in fourth year Education and hails from Fredericton.

Raiders under way

The 1981-82 basketball season formally got under way today in Fredericton as the veterans took the floor for the first practice session.

Heading the list of returning lettermen is Captain Scott Devine, destined to become the leading scorer in UNB history. Joining him from last season's 20-10 team are starters Chris McCabe and Ken Amos of Fredericton, and hustling wing man Bill Young. Back in the fold after a year out of school is Don McCormack who played a major role in 1979-80. Adding some needed depth in the forecourt is 6'8" Paul Holder, a transfer student from Mount Allison. Paul is expected to fill the much-needed role at the low post.

Veteran Coach Don Nelson, Associate Coach Phil Wright and Assistant Coach Joe Dunn look forward optimistically to the upcoming season. Nelson expects 15 players to be invited to the opening of practice.

Tuesday night, September 29 at 8:30 an open try-out camp will be held in the Lady Beaverbrook Main Gym. This will afford an opportunity for any members of the student population who may not have been invited to the opening

practice to find a place in the varsity basketball program.

Any players selected from the Tuesday night camp will practice with the team beginning Wednesday. The staff will make the final selections after everyone has been given a good look.

The Raiders open at home with an exhibition tilt with a semi-pro team from Presque Isle, Maine on October 31.

These two teams will play again on Sunday, November 1.

Following a trip to the nation's capital for a tournament, the Red Raiders will next appear at

home against traditionally strong Husson College from Bangor, Maine on November 12, followed by a contest with former Northeast College Conference rival University of Maine at Machias on November 14.

Dr. Love Cross Country race to be held

By TONY NOBLE

Attention students

It's time again, pull on your tatty old running shoes, your old sweat top, a poor excuse for a rag, and any old pair of shorts and start running for there is only one week left before the annual Dr. Love Cross Country run, which is open to any student at UNB,

the winner of which becomes the prestigious Dr. Love "Top Distance runner of UNB". The race will be held Sat. Oct. 10th in the UNB woodlot over at 5.8 mile course. So pull on your booties and start pounding those streets, the more the merrier, its all in fun, and at the same time you can support the UNB Harriers who will be having their home invitational at the same time.
