Dear Sir:-

N.E. 24-20-15. W2nd Your File 360,260.

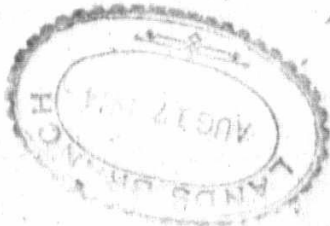

I refer to your letter of the 24th December last in regard to an assignment by William J. Smith to the G.T.P. Branch Lines Company covering right of way through this section, part of Pasqua Indian Reserve. I shall be obliged if you will advise me what sum now requires to be paid to the Department before patent in favor of the Company can be issued. The difficulty which the Company has to face in this case is that all the compensation due to Mr. Smith in connection with the right of way was paid over in the mistaken belief that title had been obtained. I have requested Mr. Smith on several occasions to make payment to the Department, but my requests have been ignored.

Yours truly,
